THE FOUR-WAY TEST

Of the things we say and do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all

SEP 07 1815 - Australian explorer John McDouall Stuart is born... 1876 - C J Dennis, Australian poet and author of 'The Sentimental Bloke', is born. .. 1936 - Buddy Holly, rock 'n' roll singer of the 1950s, is born. 1936 - The last known Thylacine, or Tasmanian Tiger, dies. 1986 - The last section of the sealed National Highway around Australia is completed, between Fitzroy Crossing and Halls Creek

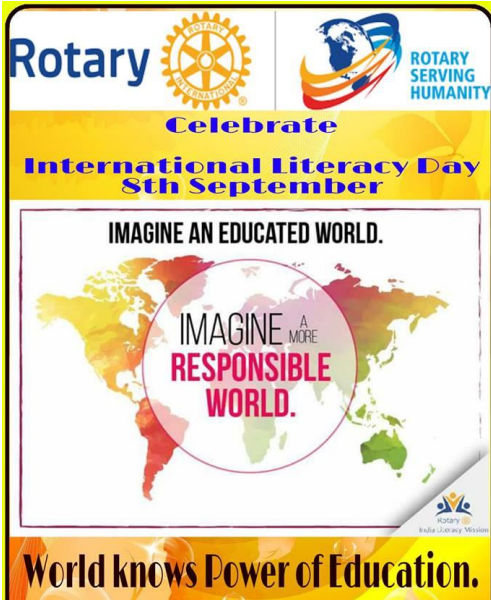

OUR FIRST FAIR DINKUM AUSIE!

Our first Rotary Youth Exchange student from Austria – Miss Franzl Rutenstock addressed our Club last week. Franzl gave us a fine presentation for someone so young and impressed us with her sense of humour, her grace and her determination to succeed, particularly in her chosen sport of competitive swimming. She also showed us an insight into her home, family, school and her friends. Franzl is settling well into her school routine and has already sampled a taste of some extracurricular sporting activities having her first visit to a surf beach (at Kings Beach Caloundra).. Hooked?? Yep.. it would appear so!

Don't think I wanna meal here!

Bill pulled up a stool at his favorite bar and announced,
 "My wife Suzie must love me more than any woman has ever loved any man!"

"What makes you say that?" the bartender inquired.

"Last week," Bill explained, "I had to take a couple of sick days from work.

Suzie was so thrilled to have me around that every time the milkman or mailman came by, she'd run down the driveway waving her arms and hollering,

"My husband's home! My husband's home!"

Last Saturday, we farewelled **Victoria Duperray** as she departed for home.. Lyon, France after a 2 month visit .. having experienced teaching first hand at Grace Lutheran College, Hercules Road and Kurwongbah Primary Schools.. not to mention her culinary skills as she prepared our Rotary Club meetings. We wish Victoria all the success she deserves!

I would like to thank all those (including our youth exchange students) who were able to make themselves available on Sunday to help out at the Bunnings BBQ. The funds raised goes into the Club Service account and assists us in keeping the Club viable. The R.C. of Kippa Ring-North Lakes has two accounts, one is the 'Club Service' account, and as the name suggest it services the running of the Club (which includes payment of meals for Guest speakers, sundry expenses for Youth Exchange Students that we host, Insurance, etc). The other, is the 'Community Service' account and is solely used for funding community service causes both locally and internationally. On occasions we sponsor a Bunnings BBQ for a specific cause and we would promote it accordingly.

Thanks again everyone. Kind regards, *Bernard*

A BIG Thank You to the Club Members and friends who assisted with our Bunnings fundraiser BBQ last week end. Bernard van den Bergen, Ashley & Sue Broad, Garry and Renaté Gibson, Jerry Smith, Irene Pap, Fran Hollywood, Fred Stolz, Norwegian YEP Student Marita Aarberg and Ossama El-Saadi along with his Italian host daughter (and Dancing Queen) Miranda Verardo 😊

Thanks also to Sue Jones and Emily who donated some beverages for the cause as well.

It was a perfect day, with a lot of fun and laughs amongst the hard work feeding the hordes on Father's Day at the Bunnings store at North Lakes.. Our Club made a profit in excess of \$1,000 on the day.. Great job, Team!

SEPTEMBER: ROTARY AREA OF FOCUS IS: BASIC EDUCATION AND LITERACY

A Rotary grant helps bring tablet technology to students on Taveuni Island, Fiji.

Worldwide, 67 million children have no access to education, and more than 775 million people over the age of 15 are illiterate. Our members support educational projects that provide technology, teacher training, vocational training teams, student meal programs, and low-cost textbooks to communities. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Caring for the families of those who served their country

Legacy Week is the annual national appeal to raise awareness and funds for the families of our incapacitated and deceased Veterans.

It is held in towns and cities big and small across Australia and supported by young and old.

The funds raised from Legacy Week help Legacy continue to assist approximately 80,000 widows and 1,800 children and people with disabilities Australia-wide, with essential services such as, counselling, special housing, medical, advocacy and social support.

Public support will also help Legacy nurture children's education, by contributing towards their school fees, books, uniforms, and recreational activities to aid their self development and confidence.

There are thousands of Australian Defence Force personnel currently deployed overseas. Legacy stands ready to assist their families should the worst happen.

All funds raised will help continue Legacy's essential role within the community.

Grace Lutheran College has kindly offered to provide a bus to transport us to the races. The tickets are now available. Please welcome along family and friends. Ticket: \$10/person Bus: \$5/person (a donation to be collected on the day). The bus will leave Grace Lutheran College, Rothwell at 9:00am, Sunday 11th September 2016.
