A Message from Our President

Wow... so we all now know something more about Australian Trivia. Who would have thought it was illegal to walk on the right side of the road or in South Australia & Tasmania to offer a reward, no questions asked for the return of stolen property or to hurt a homing pigeon or in South Australia to disrupt a wedding! How about Queensland trialling Daylight Saving 4 times over the past 100yrs or even Tasmania was the 1st state/territory to have the 1st Daylight Saving in 1916!

What about all those Aussie companies selling to foreign companies – Weis, Dairy Farmers, Chiko Roll, Bushell's Tea, ETA Peanut Butter and Bundaberg Sugar... sad to think about it hey?! But on a brighter note please remember all the Aussie Made AND Aussie Owned companies and their products so we can support our locals: Voilet Crumble, Vegemite, Dairy - Cooloola Milk, Jalna, Bega, Norco, Maleny Dairies, Bulla, Madura Tea, Wheelys Tea, Peanut Paste (Butter) – Bega, Dick Smith, Mayver's & Pic's, Ice-cream – Bulla, Cold Rock, Darling Downs Ice cream Co.

Apologies if this year's Trivia was a tad hard, but hey, I'm sure everyone learnt something AND had a lot of fun along the way ☺ I now know 3 rounds are the max for our time restraints – too much fun & laughter prolongs the nights. I thank you all for your patience and team efforts on the night. Look out for the next quiz for Anzac Day!! ☺

*Have a great week everyone... having fun
Making a Difference in our Community ☺*

Cheers for now

Colleen

This WEEK'S MEETING...

Guest speaker **Paul Szép** will be talking to us about Blind Cricket

The Brumbies Blind Cricket Association's (BBCA) aim is to provide blind and vision impaired people located in the Region – Brisbane North side to the Sunshine Coast, the opportunity to participate in active sport through our blind cricket programs.

At BBKA, all members are allowed to play Social Blind Cricket. Men and women, boys and girls, members with perfect sight and members who are vision impaired or blind. The game of Blind Cricket is a fun and inclusive sport at Brumbies Blind Cricket Association.

After just witnessing the successful conclusion to the 2017/18 Big Bash League.. cricket certainly is still in the spotlight..

Should be an interesting presentation.

Fergus better get moooving!!!

A farmer drove to a neighbours farmhouse and knocked at the door. Dougie, who was 9, opened the door. "Is your dad or mum home?" said the farmer. "No, they went to town."

"How about your brother, Fergus? Is he here?"

"No, he went with Mum and Dad."

The farmer stood there for a few minutes, shifting from one foot to the other, and mumbling to himself..obviously rather agitated.

Dougie replied "I know where all the tools are, if you want to borrow one, or I can send Dad a message."

"Well," said the farmer uncomfortably, "I really wanted to talk to your Dad. It's about your brother Fergus getting my daughter Suzy pregnant!!"

Dougie thought for a moment... "Well..You would probably have to talk to Dad about that. I know he charges \$500 for the bull and \$50 for the pig, but I don't know how much he charges for Fergus!"

FUTURE BBQ DATES:

MARCH 6 & 20

Last Saturday, Our Club attended the D 9600 D.I.K. store in Durack to assist with loading of shipping containers and book sorting as part of our Community Service (& International Service) program. Attendees were RC KIPPA RING-NORTH LAKES Rotarians Ashley Broad, Col O'Brien, Garry Gibson, along with our Rotary Youth Exchange Program Students Chiara Pupillo (Italy) and Marcella Peixoto (Brazil) and ROTARACT North Lakes members Phil Raven, Jed Theed and Liza Berry.

Whilst at DIK, our members were fortunate to meet up with Sally Lloyd who grew up at the mission station of Mougulu PNG (her missionary parents still work in the area) which is the very same place where we are sending a trailer and the same place Russ Stephenson was referring to with his presentation to us last week!

- Vocational service is one of the distinguishing characteristics of Rotary.
- Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service to the pursuit of all vocations.
- Paul Harris wrote: "Each Rotarian is a connecting link between the idealism of Rotary and their trade or profession".

Membership of Rotary is based around a Member's current or past vocation. Here is a snapshot of some of our Club's Present & Past Members hard at it!

The University of Queensland's Rotary Centre for International Studies in Peace and Conflict Resolution

is part of a global program to advance research, teaching, practical training and knowledge on issues of international relations, conflict resolution and peace-building. It offers a tailored Master's Degree in International Studies, aimed at potential world and community leaders, designed to have a practical effect on addressing international and regional conflicts. The Rotary Foundation's decision to establish this unique program at The University of Queensland is recognition of the outstanding reputation of the Masters of International Studies programs within the School of Political Science and International Studies.

The Centre is one of only six worldwide, the others are housed at:

Duke University and University of North Carolina at Chapel Hill USA

International Christian University, Tokyo Japan,

University of Bradford, West Yorkshire England

Uppsala University, Uppsala Sweden

Chulalongkorn University in Bangkok, Thailand (Professional Development Centre)

Each year the Rotary Peace Fellows commence an 18-month program of study at the School. Fellows are selected from countries and cultures around the globe based on their potential as leaders in government, business, education, media and other professional areas.

The Rotary Fellowships are fully funded to pay fees, living and travel expenses and a three month Applied Field Experience. Toward the end of their studies the Fellows, with support from school staff, will host a full day seminar for Rotarians and the wider student community.

This program, continues to deliver innovative and cutting-edge teaching and research in these fields. In recognition of its achievements, the UQ Rotary Centre received an award for its contribution to 'Internationalization' from the Queensland Education and Training Industry in 2007.

Family isn't always blood.
It's the people in your life
who want you in theirs.

The ones who accept you
for who you are.

The ones who would
do anything to see you
smile, and who love you
no matter what.
