THE FOUR-WAY TEST

Of the things we say and do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

NOV 30 1874 - Winston Churchill, British Prime Minister during WWII, is born...1878 - Advance Australia Fair, the song that would become Australia's National Anthem over a century later, is performed for the first time in public...1928 - Aussie cricket icon Donald Bradman makes his Test debut.

Who says we Rotarians don't have fun??

Evening at the local Redcliffe trots.. Wine tasting whilst watching a beautiful sunset at the Belvedere Hotel... It's all happening!

Whilst most of our members' time has been consumed in selling raffle tickets for our Christmas Trailer & Goods raffle.. we have still been able to manage some time to enjoy ourselves! ☺

TONIGHT's guest speaker is

Sarah Chandler to speak about the proposed Chaplaincy Program at the Hercules Rd.State School. Sarah has been a Field Development Manager for the last five years, overseeing a district of Chaplains and partner with churches and organisations in the local area for the well being of our children, youth and families in our school communities.

Message from the President

The Hercules State School EarlyAct Club joined in this year's Quota International's Festival of Christmas Trees fundraising event. The EarlyAct Club were brilliant in putting this together. It is inspiring to see children at such an early age being enthusiastic in giving to those less fortunate. We are grateful to have people like Laura van Zyl, teachers and parents who educate children in the value of community service..

Hercules Road State School won The Festival Of Trees event: which was viewed at the Redcliffe Showgrounds 9am to on Saturday. Congrats to all members of the Hercules Road State School EarlyAct Club.

J of the JOKE WEEK

Nelson Mandela is sitting at home watching the telly when he hears a knock at the door. When he opens it, he is confronted by a little Chinese man, clutching a clip board and yelling, "You sign! You sign!"

Behind him is an enormous truck full of car exhausts. Nelson is standing there in complete amazement, when the Chinese man starts to yell louder. "You sign! You sign!" Nelson says to him, "Look mate, you've obviously got the wrong bloke. Push off", and shuts the door in his face.

The next day he hears a knock at the door again. When he opens it, the little Chinese man is back again.. this time with a huge truck of brake pads.

He thrusts his clipboard under Nelson's nose, yelling, "You sign! You sign!". Mr Mandela is getting a bit hacked off by now, so he shoves the little Chinese man back, shouting:

"Look, push off! You've got the wrong bloke! I don't want them!"

Then he slams the door in his face again.

The following day, Nelson is resting, and late in the afternoon, he hears a knock on the door again.

On opening the door, there is the same little Chinese man thrusts a clipboard under his nose, shouting "You sign! You sign!"

Behind him are TWO very large trucks full of Japanese car parts.

This time Nelson loses his temper completely, he picks up the little man by his shirt front and yells at him;

"Look, I don't want these! Do you understand? You must have the wrong name! Who do you want to give these to?"

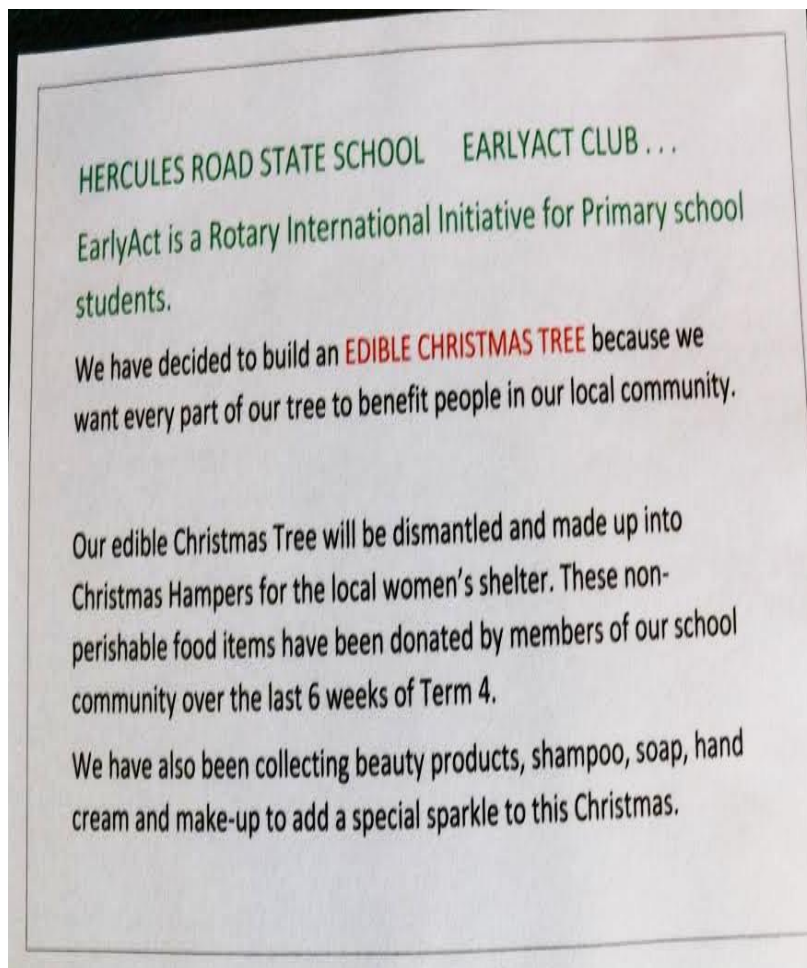

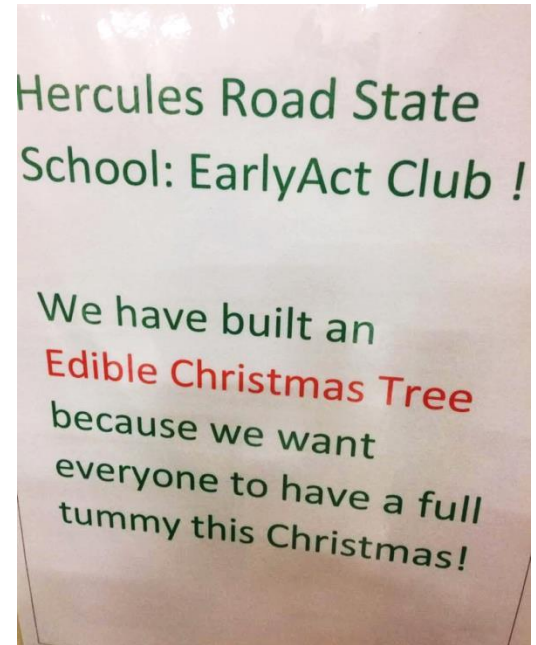

The little Chinese man looks at him very puzzled, consults his clipboard, and says:

"You not Nissan Maindealer?"

HERCULES ROAD STATE SCHOOL GETS INTO THE CHRISTMAS SPIRIT!

Congratulations to the EarlyAct Club of Hercules Road State School for winning the Redcliffe Festival of Trees Competition. They built an edible Christmas tree out of non-perishable foods (all of which will be donated to homeless shelters on the Redcliffe Peninsula). Fantastic idea and well put together by Laura van Zyl and her many EarlyAct members and fellow teachers/parents. Well Done, Team!

Rotarians Fran & Bernard discussing race tips?

Fran, Bernard, Yvonne & Dale trackside

Norwegian Youth Exchange Program student at the trots ... Marita Aaberg hopping into her chook!

Whilst one of our YEP students was ploughing through her chook.. our other one..Austrian Franz Ruttenstock.. has been rather crook! Franz has unfortunately spent the last week of her school year in Redcliffe Hospital coping innumerable tests for some viral condition.. We sincerely hope that Franz gets well soon and is thrashing around in the pool rather than thrashing all and sundry in UNO!! Her host families and her Rotary family have been with her 24/7 ensuring that her boredom levels are kept to a minimum.. Franz even had a fleeting surprise visit from some of her schoolmates who popped in to say goodbye!

ROTARY FOUNDATION NAMED WORLD'S OUTSTANDING FOUNDATION FOR 2016

The [Association of Fundraising Professionals](#) has recognized The Rotary Foundation with its annual Award for Outstanding Foundation.

The award honors organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of

others, and involvement in public affairs. Some of the boldest names in American giving — Kellogg, Komen, and MacArthur, among others —are past honorees.

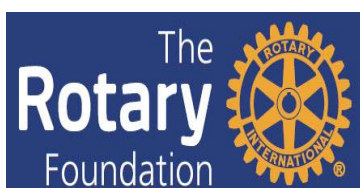

“We are honored to receive this recognition from the AFP, which gives us even more reason to celebrate during our Foundation’s centennial year,” says Rotary Foundation Trustee Chair Kalyan Banerjee. “The continued strong support of Rotary members will help us keep our promise of a polio-free world for all children and enable the Foundation to carry out its mission of advancing world understanding, goodwill, and peace. We look forward to another 100 years of Rotary members taking action to make communities better around the world.”

The announcement came on 15 November, known to industry professionals since the 1980s as National Philanthropy Day. The award will be presented in early 2017 at the AFP’s annual conference in San Francisco.

Rotary Foundation Trustee Chair-elect Paul Netzel is set to accept the award on Rotary’s behalf, and Eric Schmelling, director of fund development at Rotary, will speak at the conference. The event is expected to draw more than 3,400 senior-level fundraising professionals from 33 countries.

“While almost everyone is familiar with Rotary, not everyone may realize just how much of an impact Rotary and The Rotary Foundation have had on countless people and communities across the globe,” says Jason Lee, AFP president and CEO. “On behalf of the entire charitable sector and people around the world, all of us at AFP are honored to be able to recognize The Rotary Foundation as our 2016 Outstanding Foundation.”

AFP’s committee of judges cited Rotary’s comprehensive campaign to eradicate polio as a major driver of the selection. They also mentioned that Rotary applies a methodical, purposeful approach to support a wide variety of causes, from providing clean water to educating the next generation of peace professionals.
