RC KIPPA-RING meets the inspirational Mr Tony South

RC Kippa-Ring members had the pleasure of meeting Mr Tony South.. a Rotarian associated with the Mt. Gravatt club.. who has been a T1 paraplegic for over 61 years.. His many achievements were mentioned last week. His basic philosophy is worth noting: *" I do not ever seek greatness. I seek instead to do great things. If I aspire to greatness, my greatness will die with me. But if I aspire to do great things, then my legacy will live on"*

A truly inspirational man.. Thanks for sharing your stories with us, Tony!

Sophie Coulon. A local from Newport.. who attends Grace Lutheran College was interviewed by RC Kippa- Ring members Matt Roue and Fred Stoltz; and has been endorsed as a District nominee to attend the National Youth Science Forum. Sophie presented impeccable credentials and we wish her luck with her nomination.

Claire McErlane, Director of Uplift Tours & Travel has agreed to package tours to Cambodia.. specifically for people wishing to visit the Harvest Cambodia project.. This will take a huge burden off Doug & Izzie and is a great step forward.

RC Kippa-Ring has pleasure in announcing that our 23rd Inbound Youth Exchange student is to be Nina Weber from Solothurn, Switzerland; a small town of around 10,000 people around 80 kms from Zurich.. Nina is due to arrive in Brisbane late July.

RC KIPPA-RING gives Woody Point Special School a facelift!

Over 200 metres of turf laid.. 100 metres of fencing relocated after digging new fence posts.. 40 Tonnes of concrete broken up and dumped.. tonnes of topsoil spread, sand-pit relocated.. slip..slop..slap..slap.. slap to overcome the intolerable mozzies... the Team have done a fantastic job over a couple week period.. Cannot wait to see the looks on the unsuspecting kids' (and some teachers') faces when they return from holidays ☺

Sincere thanks to Ashley Broad, John Lloyd for being the prime movers behind this project, with able assistance from Bernard Van den Bergen for his marvellous skills in obtaining the Rotary Grant and huge Thank You to all others who assisted.. Mitch Broad, Sue Broad, Doug Morris, Bruce Hartshorn.. And what about the mighty efforts of Grace helper Noel Stiller who worked tirelessly utilising his landscaping/machine-operating skills. Thanks also to Councillor Koliana Winchester who ensured the dumping fees were waived.

A very special project for a very special bunch of people..

The Cointreau company had been founded by Edouard Cointreau and his brother Adolphe near the town of Angers in 1849 to produce a white liqueur, flavoured with orange peel, that would grow to become one of France's most popular specialty drinks, particularly with its ready status as a mixer in cocktails. Cointreau, too, would remain entirely a family-run operation. In 1948, a new generation of Cointreaus took over the company's leadership--brothers Robert and Max, and their cousin Pierre--dividing the running of the company among them, with Pierre overseeing the Angers factory, Robert in charge of developing international development, and Max in charge of the distribution network.

Max Cointreau's marriage to Rémy Martin heir Geneviève in 1946 would lead the two companies to a combining of forces in the late 1960s. Both companies were seeking to expand their operations, if only to maintain their independence in an industry that was beginning to show signs of consolidation. In 1969, Cointreau and Rémy Martin joined together to form a distribution network to develop both companies' brands worldwide. In the 1970s, both Cointreau and Rémy Martin would begin expanding their product offerings, acquiring brands and production and distribution agreements to offer a more extensive line of alcoholic beverages.. **Max Cointreau was an active member of RC PARIS.**

The walking/jogging or running course starts at the base of Mount Gravatt Mountain on Shire Road, Mt Gravatt, and rises 132 metres over a distance of 1.5 kilometres of beautiful bushland scenery. Once you reach the summit you will be rewarded with a fantastic vista of Brisbane city looking north to the Glasshouse Mountains, entertainment, prizes and if you wish, you can enjoy a coffee and a light meal at the Echidna Magic Cafe. When you're ready you will need to make your way back down the mountain. This will be a great community event as there will be something for everyone. Consider a team entry to compete within your company or with another company, or simply to have some fun walking with friends. Families may enter as a group and enjoy some time together.
