# It's The Rotary Foundation Month

## ***Give the gift of Rotary:***

Every year, hundreds of thousands of people — children, families, and entire communities — benefit from projects funded by The Rotary Foundation. When you give to Rotary, you enable local leaders to create sustainable solutions to their community's most pressing needs.

Although Rotary gives back in countless ways, we focus our service efforts in **six areas**: promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, and growing local economies.

With your support we can do even more. By making a gift of any size, you can be part of this positive change.

[Give now](#)

## **What your gift supports**

### **\$500 Dairy cow**

In addition to providing dairy products, cows produce calves that farmers in Cambodia can sell to support their families.

### **\$1,000 Conflict resolution training**

When high school students have the skills to resolve conflict, they can build a peaceful and more secure future for themselves and for their communities.

### **\$200 Medical equipment**

Newborns start their lives healthy when hospitals have vital medical equipment to care for babies in their first moments of life.

### **\$100 Sewing machine**

Sewing machines are used to teach entrepreneurs the skills they need to launch a business. Microloans and training ensure the business is sustainable.

## *For Clare, Our Aussie Daughter*

Oh, Clare, we've heard of your dad's passing away,  
And to our Aussie Daughter just what can we say  
As tears of sorrow stream down your cheeks  
While your shuddering soul searches and seeks  
A solace, a comfort from this dire distress  
Of knowing no more a father's caress  
For a daughter, a mother, for warm family life  
And to forecast a future, fearful of strife.

But, with Paul, your husband, you'll know what to do  
Joining with Valerie to see sadness through  
By recalling the joy and those happy days past  
Cherishing John's memory, for it always will last.  
Oh Clare we so care for all you have done  
For Rotary's goals to help everyone;

And remember, dear Clare, what you once said  
In your Face Book post we recently read,  
"When life offers reasons to weep and to cry,  
Contain your sad spirits and search in the sky"  
For soon you will see a new shining star  
Spreading Dad's love... where ever you are.

Always with our Love, Clare  
The Rotary Club of Kippa Ring – North Lakes  
and All your Aussie Fathers

# ShelterBox Australia

## Christmas Appeal

ShelterBox is proud to be a Project Partner of Rotary International

This Christmas, families around the world will find themselves homeless and in desperate need of help. Whether they have lost their homes to a natural disaster, like the victims of Cyclone Pam in Vanuatu; the earthquakes in Nepal; or have been

forced to leave their homes because of conflict, like the millions fleeing the violence in Syria, Iraq and Afghanistan, their needs are quite simple: Shelter, Warmth & Dignity.

If you are stuck for gift ideas or are tired of exchanging presents destined for land-fill, why not break the mould and give a gift that keeps on giving. You might like to club together as a family and sponsor a ShelterBox instead of exchanging presents, or make a donation in lieu of a gift to one of your friends.

For a gift of **\$1,000** you will be providing an extended family with a relief tent, blankets and ground sheets, water purification and storage equipment, cooking equipment and eating utensils, a tool kit, solar lights, a children's activity pack and, where appropriate, mosquito nets or thermal hats/gloves/scarves. This is Life-changing, life-sustaining equipment.

A donation of **\$200** or more will help fund elements of a box, like solar lights, a water filter or a set of warm blankets. By funding part of a box you'll still get issued with a box number so you can track where it goes.

Or you may like to donate to the '**ShelterBox Solution**', our flexible relief fund that pays for items like Shelter Repair Kits, SchoolBoxes and UN specification tents. Any donation over **\$50** qualifies for a card.

Make a donation today on behalf of a friend or family member and we'll send you one of our specially designed cards to give in lieu of your gift. Simply donate in the normal way, mention that it is a Christmas Gift and we'll get your card in the post.

## ***Rotary Club of Maryborough Helping Hands Project***

On 14 November 2015, a combined Rotary clubs of Maryborough project was the assembly of artificial hands for people who have lost hands as a result of accidents or warfare, mainly to mines.

Cambodia is one of the worst places in the world for such events and hundreds of people have lost their hands to mines left from the 1970s-1980s fighting there.

These artificial hands really do make a significant positive difference to the life of the person who receives it.

Think how you would be unable to cope with even simple everyday tasks without your hands.

People fitted with these hands can go to school and learn to write, or to work at almost every trade, and work around the house.

Each hand costs \$400.00. Our club donated \$4,000.00, for one batch of hands. Thirty hands were assembled on 14 November.

The presentation pouches were decorated and personal messages of goodwill and best wishes to the recipient were included by those who attended the assembly project.

## KIPPA'S RIB-TICKLER OF THE WEEK!

Gina buys a "magic" lamp from the market and starts rubbing it.. Lo behold.. a Genie comes out!

Gina requests the Genie to grant her some wishes:

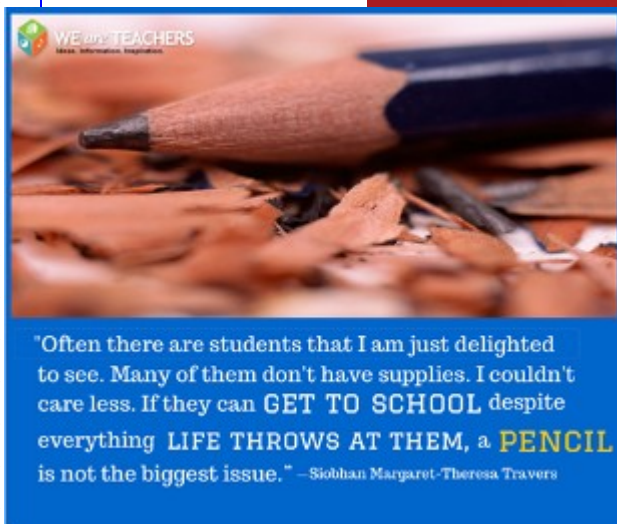

- He should sleep always by my side.
- When he gets up, I should be the first thing he grabs.
- He must take me everywhere he goes.
- My hubby should have eyes only for me.
- I should be only one in his life."

The Genie turned Gina.. into a Mobile Phone!!!

WHAT WE GET.  
WE MAKE A  
LIFE BY WHAT  
WE GIVE.

WINSTON CHURCHILL

"Often there are students that I am just delighted to see. Many of them don't have supplies. I couldn't care less. If they can GET TO SCHOOL despite everything LIFE THROWS AT THEM, a PENCIL is not the biggest issue." —Siobhan Margaret-Theresa Travers
