Prime Minister Ben Chifley launches the first mass-produced Australian car, the Holden FX... 1970 - Recreated goldfields town, Sovereign Hill in Victoria, is officially opened.

A Message from Our President

Hi everyone

What an exciting meeting we had last week! At our AGM the following members were nominated and elected for the Rotary Year 2018-2019:

Jerry Smith – President (current President Elect)

Andreas Kressibucher – President Elect (current President Nominee, President 2019-2020)

Debbie El-Saadi – Secretary; Ashley Broad – Treasurer; John Lloyd – Board Director

Bernard van der Bergen – Board Director; and I come back as – Immediate Past President ☺

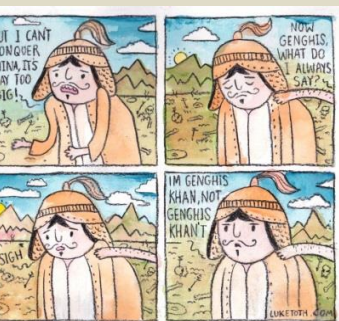

Congratulations to all, I look forward to another great year of Rotary in our wonderful club! As you know many hands make light work... there are a few non-elected positions within our Club to make it smooth running and an exciting, interesting time for all. If you are interested in any particular area, please see the current Director of that area or the person looking after that portfolio or have a talk to one of the elected Board positions or even myself if you are interested. More info can be found on the Rotary International webpage. There's exciting times ahead for our club as we Make a Difference in our Club and communities....

I attended our Cluster Meeting with our Assistant District Governor – Mary and Presidents of Redcliffe, Redcliffe Sunrise, Caboolture, Bribie Island and Rotaract Club of North Lakes, Sunday just gone. It was good to share our clubs achievements and any issues we had to get any advice/suggestions. Redcliffe wanted to know if our Grants guru – Bernard was for loan! Caboolture advised that they are hosting our World Rotary International President Ian Riesley (an Aussie!) in March 2018 and there will be a Dinner at Sandstone Point Hotel 18/03/2018 – more details to follow soon.

This week we have Paul Szep from Blind Cricket Club to speak to us about his adventure and how he is helping getting our Blind community out and about in our Community. Our last BBQ raising \$\$ for Mental Health will be on Tuesday 12/12/17 – if you can help please see Bron and our Christmas Trailer Raffle is going strong with Ashley organising time slots for ticket seller – please help out where you can.

Not many meetings till the end of this calendar year., which will end with our 40th Birthday Bash. Stay tuned for more info on this and how you can help on the night if you are around!

Cheers for now *Colleen*

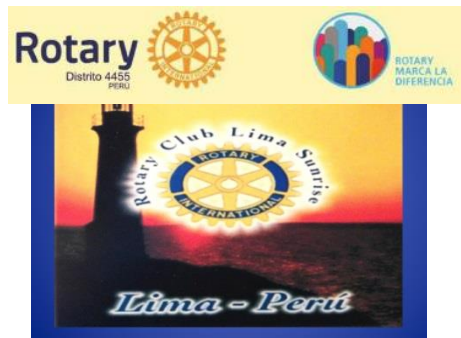

25 November - was International Day for the Elimination of Violence Against Women, also known as White Ribbon Day.

Club Rotarian Ossama El-Saadi has recently spent some time in hospital. We wish him a speedy recovery!

SCHOOL'S DEFINITELY OUT!!!!

* Teacher: "Whoever answers my next question, can go home". Ghitty throws her schoolbag out the window. Teacher: "Who just threw that?!" Ghitty: "Me! OK.. I'm going home now!!" 😊

* Cella: I got an F in arithmetic." Host father: "Why?" Cella: "The teacher asked 'How much is 2x3?' and I said '6'"

Host Father: "But that's right!" Cella: "Then she asked me 'How much is 3x2?' Host Father: "What's the flaming difference?"

Cella: "That's exactly what I said!" 😊

The Brumbies Blind Cricket Association's (BBCA) aim is to provide blind and vision impaired people located in the Region – Brisbane North side to the Sunshine Coast, the opportunity to participate in active sport through our blind cricket programs.

By 26 November 2017, we hope to have acquired most of the equipment and support we need to begin cricket training.

The upgrade to our shared clubhouse is due to be completed by this time and so, it is now time to ramp up recruitment of members for participation in our coaching and training program.

At BBCA, all members are allowed to play Social Blind Cricket. Men and women, boys and girls, members with perfect sight and members who are vision impaired or blind. The game of Blind Cricket is a fun and inclusive sport at Brumbies Blind Cricket Association.

We would be very pleased if you could pass this information on to blind and vision impaired people as word of mouth is a great way to let them know.

We are currently actively recruiting players, volunteers and committee officials in order to make our November 26 launch a smooth success. If you can assist in any way please do not hesitate to contact us.

Brumbies Blind Cricket
Association (Incorporation Pending)

HELP NEEDED

We are setting up the Association and even though we have progressed a long way, we still need people to come forward to occupy some committee positions before **5 November 2017**.

If you would like to help please feel free to contact us.

We are also looking for people to fill the following honorary positions:

**Financial Advisor
Legal Advisor
Cricket Coach
Cricket Umpires
Cricket Scorers
Bus Drivers
General Helpers**

Take a look at our website to find more information about us.

NOVEMBER CELEBRATIONS:

HAPPY BIRTHDAY!

30th November
Jayden Midson and
Ken Peters

The Rotary Foundation

The Rotary Foundation is Rotary's own charity and in 2016/17 we celebrated its centennial anniversary. Former Rotary International President Arch Klumpp's idea for an endowment fund dedicated to 'Doing Good In The World' planted the seed for The Rotary Foundation in 1917.

That one idea and an initial contribution of \$26.50 set in motion a powerful force for good that has transformed millions of lives around the globe over the decades. Over the last 100 years, the Foundation has spent over \$3 billion on humanitarian programmes across the world. This includes spearheading the movement to eradicate polio across the world, as well as facilitating projects which address Rotary's Six Areas of Focus.

What do we do? – Rotary's Six Areas of Focus

The work of Rotary begins in the community, and every community has its own unique needs and concerns. While we serve in countless ways, we've focused our efforts in six key areas to maximise our impact. These areas encompass some of the world's most critical and widespread humanitarian needs, and we have a proven record of success in addressing them.

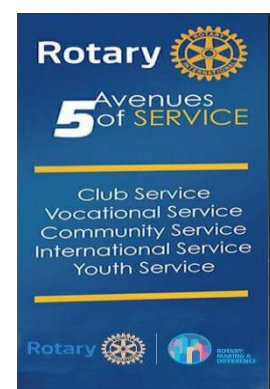

How do we do it?

Projects within the Six Areas of Focus are funded by a grant system operated between Rotary clubs and The Rotary Foundation. This gives clubs the opportunity to apply for grants for projects which matter to them.

THIS WEEK IN THE WORLD OF

Details

Tune in live for a special livestreamed panel discussion in honor of Rotaract's 50th anniversary.

Rotaract turns 50 years this year! But how did we get here? Since the first Rotaract club was formed in 1968 Rotaract has grown to over 10,000 clubs worldwide. During the discussion we explore, what have we accomplished along the way? And more importantly, how do we ensure 50 more years of service, leadership, and global impact?

Join us! Ask questions! And Celebrate 50 years of Rotaract!

Rotary Down Under's Unsung Hero : A lifetime of service

Local hero Harold Golland OAM has been a member of the Rotary Club of Quirindi, NSW, since its inception **72 years ago**.

Turning 100 years old on May 27, 2017, Harold Golland OAM has seen some amazing changes in Quirindi during his lifetime.

He has been Shire president, chairman of the Hospital Board, member of Wallabadah Cricket Club, Australia Day Local Legend, Paul Harris Fellow, president of the Rotary Club of Quirindi, as well as a successful wool and sheep grower and businessman. Harold has been admitted to the University of Sydney as Associate Member of the Post Graduate Foundation for Veterinary Science, and was a recipient of the Queen Elizabeth II Silver Jubilee Medal.

The first project the Rotary Club of Quirindi undertook was to provide an X-ray machine for Quirindi Hospital. The "Who'd A Thought It" Lookout was the next project, in partnership with Quirindi Council and the JR Taylor family. However, Harold believed that the project that most captured Rotary's spirit, was when Quirindi Station was subdivided into soldier settlements. Bill McKay was granted a settlement, but experienced financial hardship due to the death of all his sheep. Rotary members supported Bill by farming and running his property in order to keep him on the block.

Music scholarships, eradication of polio, emergency disaster shelters, speaking competitions, leadership programs, national science forums, international exchange programs, Model United Nations, health programs, and, this year, the installation of defibrillation units throughout Quirindi – Harold has been involved in the full range of Rotary projects, ably supported by his late wife, Eva.

Last year, when spotted applying large amounts of salt to his meal and being warned of its health dangers, Harold remarked that "it must be very slow acting".

Happy birthday Harold – may we share your Rotary fellowship for years to come.

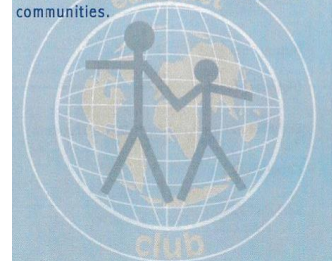

NEXT ONE: **TUESDAY 12TH DECEMBER, 2017**
AT **BUNNINGS ROTHWELL STORE..**
FUNDS RAISED TO BE DONATED TO ASSIST MENTAL HEALTH.

VOLUNTEER HELPERS PLEASE LIAISE WITH OUR BBQ ORGANISER: BRON ☺

Hercules Road State School EarlyAct Club NEWS

To promote goodwill, understanding and peace through the active participation of its student members so that with committed citizenship and effective leadership they may improve the quality of life of their school, local and global communities.

Here we go folks.. This is the Hercules Roads State School Earlyact Club's entry in this year's Quota International Christmas Festival of Trees competition open to local businesses, schools and community groups.

The Prime movers of the Hercules Road State School Chappy Project.. Rotarians **Ashley Broad** and **Laura van Zyl** .. Laura is also the backbone of the Earlyact Club.. She is absolutely "Making A Difference" with some wonderfully amazing feedback about the Earlyact projects and regular heart warming stories of the club members' compassionate joy through participation!

"Chappy **Nathan** has settled in very well and is building relationships with students and parents in the school community. He is working 2 days a week and his impact is already being felt.

Very grateful to **Rotary Club of Kippa Ring-North Lakes** for their financial moral and administrative support to procure our Chappy at **Hercules Road State School**. Thanks to Rotarian **Bron Crook** and her BBQ team for their excellent work with the ongoing fund raising for our School Chaplain."
LAURA VAN ZYL

Rotary Voices

Stories of service from around the world

CELEBRATING POSITIVE PEACE

By Ana Cutter Patel, Executive Director, Outward Bound Peacebuilding, and a 2016 Rotary Peace Fellow at Chulalongkorn University, Bangkok, Thailand

Peace can be described as positive or negative. Negative peace refers to the absence of violence. Positive peace describes the attitudes, institutions and structures that, when strengthened, can lead to a more peaceful society. The Positive Peace framework developed by [Institute for Economics and Peace](#) (IEP) identifies eight factors that create peaceful societies. They are:

*A well-functioning government
a sound business environment
the equitable distribution of resources
low levels of corruption
high levels of human capital
the acceptance of the rights of others
the free flow of information
good relations with neighbors*

Mexico conference spawns idea

In May 2017, IEP and [Outward Bound Peacebuilding](#) (OBCP) successfully collaborated on a Rotary-supported conference bringing together 300 peacebuilders in Mexico to learn about the Positive Peace framework. The event showcased the strengths of both our organizations – IEP, a global think tank dedicated to peace as a tangible measure of human well-being and OBCP, an organization committed to experiential learning and conflict transformation. At the conference, through an interactive activity led by Outward Bound Mexico, we brought the concept of positive peace to life for the peacebuilders in Mexico.

Over margaritas during a late June lunch, Michelle Breslauer, America's Director of IEP and I had hatched an exciting idea. "What if we did the positive peace activity in New York City on the International Day of Peace?"

To bring the event to New York City, we reached out to leaders of organizations representing the eight pillars of positive peace. A team of amazing staff and volunteers led us through the challenges of organizing a public event in a big bureaucratic city. There was a moment in August, a month out from the event, when not one invited leader had accepted our invitation, the city's parks department had not yet assigned us a space to hold the event, and there was no response to our media advisory.

Rotary comes through

Then Dr. Jasmin Cowin, president of the [Rotary Club of New York](#), said yes. She would represent Rotary as Pillar #2: *A sound business environment*. We were thrilled! Rotary is a powerful partner to IEP and OBCP. Soon after, Laura Gonzalez-Murphy, director of the New York State Office for New Americans, agreed to represent Pillar #8: *Good relations with neighbors*. A week before the event we had eight fabulous leaders confirmed.

We celebrated Positive Peace on 21 Sept 2017, the UN-established International Day of Peace. Several dozen New Yorkers gathered under a bright blue sky on the city harbor to celebrate the people and organizations that make our communities safe and livable.

Quiet and hesitant at first, the group quickly jumped into the activity with enthusiasm. Each of the pillar leaders shared how their organization contributes to peace, reminding us that we all have a stake in keeping neighborhoods, cities, and countries peaceful.

Using brightly coloured ribbons, the participants wove their way from one pillar to another – visually and literally connecting the group. In the final circle, people expressed their gratitude for having an opportunity to appreciate and physically embody the idea of positive peace. They all committed to coming back in 2018.

2016

The club derives its name from an Australian aboriginal religious ceremony of making secular boys into sacred men who then became a "Kippa". This ceremony was performed in an area of two circles (or rings) that were to be found locally, hence the name Kippa-Ring. In 2015, our Club relocated to North Lakes, thus incorporating our revised name.

*FROM left: Rex Fulton is installed as Kippa-Ring Rotary Club by past district governor Jack Stephensen, with outgoing president Ashley Broad.

Broad hands over reigns

New office bearers were installed at the Kippa-Ring Rotary Club's annual changeover dinner at the Golden Ox recently.

Immediate past president, Mr Ashley Broad, handed over to Mr Rex Fulton, who was installed by Rotary Past District Governor, Mr Jack Stephensen.

Mr Fulton said, with only 22 members at July 1, the club was small in number, but the average age was well under that of most Rotary clubs. Members were active and energetic, many with young families, and were keenly interested in youth problems.

The meeting heard that Rotary International had, earlier in the year, ac-

cepted its millionth member. One international project aims to have every child in the world immunised against polio by the year 2000.

The Kippa-Ring Club's new officers are: president Rex Fulton, president-elect and secretary Neville Berry, treasurer Rod White, sergeant at arms, Ralph Hart, vice-president Karl Kleimeyer.

Directors are: club service Evan Smith, community service Les Barton, vocational service Mark Maroney and international service John Pitham.

THE ROTARY CLUB OF KIPPA RING cordially invites
