A Message from Our President

It's been a few weeks since our last meeting. Brooke Manning – rebound exchange student gave us a great presentation showing us what experiences she had last year in Brazil. Brooke, you truly had 'A real Exchange'!

Well the following week we had our Board meeting followed by our monthly club forum giving members an update on what the Board discussed and approved.

20-22 April was our District Conference that saw 14 members & partners plus our 2 Y.E.P. students attend. Some had a better time than others (what was the starting time Saturday & Sunday guys????). Most of us went out to dinner on the Saturday as a Club to the Red Sea Restaurant, thanks Bernard for organising this – it was a great night ☺ There is a great line up of speakers at the conference and some great showcase stands with interesting information. Garry we think 'Dream Cricket' would be a great program for you! <http://www.dreamcricket.org.au/what-is-dreamcricket>

This week we (formally) welcome/induct **Karyn Varley** into our Club as a new Rotarian. Our little club that does great community service/projects is growing. Have you invited someone to come along to a meeting?

Next week I will be attending RYLA 2018 (As I am RYLA Chairperson) 4-11/05/18. Our Club is sponsoring Casey Burke as a Rylarian and Stephanie Bradley as a Family Group Leader. They both will be returning to our club soon to share their experiences.

Please don't forget to spread the word about our Club selling the Entertainment Books. I have Brisbane/Sunshine Coast area books in my car, however you can go online select our club and purchase the digital (mobile phone) app or even another state if you are travelling. Honestly you can get your purchase back in savings within the 1st 2 purchases, plus saving on accommodation to boot!

*** We are now selling the Entertainment Book for Brisbane/Sunshine Coast area. \$70.00 for either book (see Colleen for these) or you can purchase online digital/phone - <https://www.entertainmentbook.com.au/orderbooks/9a30268> . Online you can also purchase other states under the Clubs account and we will still receive the credit. For every book/digital our club will receive \$14.00 (plus \$70.00 for the free book they give the club). Have a look at the website.

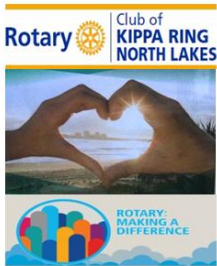

Have a great week ☺ Cheers for now *Colleen*

THIS WEEK'S

Up In Cloudland!

A Italian girl, a Brazilian girl, and an Swiss boy were all up in a hot-air balloon together. After a few minutes, the Swiss boy put his hand down through the clouds. "Aaah!" he said. "We're right over my homeland."
"How can you tell?" asked the Brazilian.
"I can feel the cold air." he replied.

A few hours later the Brazilian girl put her hand through the clouds. "Aah we're right over my homeland." she said.
"How do you know that?" asked the Italian.
"I can feel the heat of the Amazon." Said the Brazilian..

Several more hours later the Italian put her hand through the clouds. "Aah, we're right over the back streets of Rome."

The Brazilian and the Swiss men were amazed.
"How do you know all of that?" they exclaimed.

The Italian pulled her hand up. "My watch is missing."

You will gain a better understanding of the activities Rotary accomplishes abroad & in this instance India.

Guest speaker this week to talk about this tour is our good Rotary friend **Colin Scobie** from **Rotary Club of Redcliffe Sunrise**.

rotary youth exchange

rotary youth leadership awards

May is the month when Rotary focuses on **YOUTH SERVICES**

The link between Rotary and youth for all our Clubs is amazing. Every Rotary club engages with our Youth Programmes in some way or another, whether it be Rotary Youth Exchange Program (YEP), Rotary Youth Leadership Award (RYLA), Rotary Youth Programme of Enrichment (RYPEN), Rotaract, Interact, EarlyAct, Rotex, Rotary's Young Driver Awareness (RYDA) .. just to name a few....

With the focus that our clubs and Rotarians have on making a positive difference in our communities, it is imperative that we continue to invest in encouraging our Rotary youth programs to preserving the future of Rotary; as these are the Rotarians of the future.
