ON THIS DAY: OCTOBER 6th

1889 - Moulin Rouge opens in Paris... 1889 - Thomas Edison shows his 1st motion picture... 1903 - The High Court of Australia sits for the first time... 1960 "Spartacus", directed by Stanley Kubrick and starring Kirk Douglas and Laurence Olivier, premieres in NYC... 1987 - Fiji becomes a republic... 2010 - Instagram, a mainstream photo-sharing application, is founded...

**PLEASE WEAR A
FACE MASK**

Just in case you need a laugh:

Remember it takes a college degree to fly a plane, but only a high school diploma to fix one; a reassurance to those of us who fly routinely in our jobs.

MADAM President

Let me start this report with a big thank you to everyone for their participation in reviewing our strategic plan. There were some great comments, which demonstrates the ongoing interest of members in continually refining our priorities to better reflect the direction and priorities members are keen to achieve.

We have some constant work ahead of us supporting the selling of the calendar and the Christmas trailer but I hope members enjoy the experience and take the opportunity to talk to the public about our Club. Funds raised through these initiatives will help implement the many important projects identified through portfolio team planning.

The Board met last Thursday and will provide an update at this weeks meeting. However one important suggestion is that we have our club Christmas break up at the park on Endeavour Esplanade on Sunday 19 December after the trailer raffle is drawn. The new marquee should be available. If it rains we have a contingency plan where you are all invited to Ossama and my home. We can discuss this more at this weeks meeting to seek the opinion of members.

This year has flown and Christmas is approaching. Unfortunately we are still battling a pandemic but I am very hopeful for a new phase by the new year and some sort of normality where we can once again see family and friend interstate and internationally. That is my Christmas wish.

I hope you are all enjoying the beautiful weather this long weekend and remain safe.

Yours in Rotary Service,
Dr. Debra El-Saadi
 Club President
 2021/22

OCTOBER CELEBRATIONS

Happy Birthday

October 1 –

Vivien Harris

October 20 –

Laura van Kressibucher

Rotary projects around the globe

Navajo Solar Lights Project

COLORADO, USA

TURNING ON THE LIGHTS!!!

Rotary members from Durango, Colorado, USA, team with the Navajo Nation to bring solar lights to remote, off-the-grid homes on the country's largest Native American reservation.

Alexandria, EGYPT

Entrepreneurial WORKSHOP INITIATIVE

Alexandria-Rakouda, Egypt (Rotary Club) Held a workshop to train young leaders and Rotaract to understand the entrepreneurship concepts, after that the service committee arranged a visit to the international entrepreneurship conference, Techne Summit

DELIVERY OF AWARDS TO PUBLIC SERVANTS

Rotary Club Ezpeleta, as every year, presented the awards to Public Servants, in the field of education, health, safety, firefighters, etc., who in their daily hustle and bustle and anonymously, laboriously and silently show the highest standards of ethics, service, effort and sacrifice for the benefit of the entire community. The idea of these recognitions is to highlight and in some way congratulate the work of those public servants who almost anonymously work for the good of citizens.

EZPELETA, ARGENTINA

OCTOBER TO REMEMBER... REACHING THE UNREACHED..

The Rotaract club of Katsina metro visited three government hospitals to reach out and pay hospital bills for less privileged patients who have outstanding bills to pay and drugs to purchase.. With a total number of 89 patients reached out to, great impact was made in the communities visited with memorable smiles left on faces.

KATSINA, NIGERIA

Save
the
Date
