From the President's Desk...

This week our Club assisted the **Kippa-Ring State School** with BBQ duties at their Arts at Twilight celebration fundraiser. Thanks to Fred and Dale for their valuable time in cooking and serving/ordering.. great job, guys! I believe they raised over \$1500 just on the BBQ stall!

This week, we continue with our long battle with RC Stafford as we stage our Annual "Great Debate" at the Grace Lutheran College Green Tree Frog Restaurant.. Members from RC Windsor will also be attendance, as RC Stafford need all the help they can get! Hee Hee! Should be another night of intrigue, good-natured banter and laughs.

Doug Morris on leave of absence. Our Club Treasurer and “Director Of Fun” is in fact not having too much fun at the moment with some health issues and will be on Leave of Absence until he gets well. Our Club will certainly miss his vitality, wit and his kind heart. We wish Doug, Gina and his family our best wishes for a full, speedy recovery. .. refer P5 inside article >>

Last week I attended the **Pine Rivers District Police Officer of The Year Award** held at the Murrumba Downs Tavern sponsored by the Rotary Club of Pine Rivers. This is a community voted award. RC Pine Rivers President Ray Inkpen is pictured with the winner, Snr Cst Kurt Mudgway from the Mango Hill/North Lakes Police Station. Kurt does a great deal of community service work on top of his Policing role.

Cheers..GG

Milton Ulladulla Rotary wears hats for mental health

Members of the Rotary Club of Milton-Ulladulla and their partners at a meeting recently wore a hat for Hat Day.

Hat Day is an initiative of Australian Rotary Health, ARH, one of the largest not for profit funders of mental health research in Australia.

Most of the funds provided by ARH have come from donations by Rotarians.

In order to broaden the donor base, ARH launched Hat Day in 2011 as an annual fundraising event aimed at the general public.

Yearly, 100% of the money raised during Hat Day campaign goes directly to research helping the one in five Australians affected by depression, anxiety, schizophrenia and many other illnesses.

Also during the week Rotarians were involved with a community Bunnings barbecue with the profits from the sale of sausage sandwiches and the sale of drinks to be donated to Australian Rotary Health.

The Rotarians who helped run the barbecue were Trevor Schofield, Brian Wilkins, Peter Culham, Cliff Workman and Bill Harris.

HAT DAY: Rotarians John Hozack, Clive Cross, Glenn Rowen, Jeni Wilkins and Terry Marchello in their hats for mental health.

BUNNINGS BARBECUE: Mark Brown, Rotarians Bill Harris, Cliff Workman and Trevor Schofield with Warren Reid and Mark Nichols.

It's Economic & Community Development Month

"Throughout October, Rotary Economic and Community Development Month, we're celebrating our progress and commitment to helping grow local economies. Here are just a few examples of club service projects helping improve communities around the world:

In Albania, The Rotary Clubs Gubbio and Korca worked with a local organisation to provide 125 beehives to 25 families. To create a source of sustainable income, trainings on beekeeping and sales of bee products were also conducted. At the end of the year, the beehives were spilt, creating 125 additional beehives for 25 more families.

The Rotary Club of Apo, Nigeria aimed to empower widowed women in their community by providing microcredit loans for trading along with small business trainings on how to grow their businesses

In India, The Rotary Club of Jamshedpur West provided vocational training for girls and women who are breadwinners of their families. The trainings focused on developing skills in food processing, tailoring and computer proficiency allowing them to gain better employment or start their own business.

The Rotary Club of Kampala-Nsambya in Uganda conducted financial literacy trainings for hundreds of residents. The trainings focused on personal financial management, savings, loans, investments, insurance and planning for retirement.

Working with a local organisation, the Rotary Club of Makati-San Lorenzo, Philippines, provided microcredit loans to more than 1500 rice farmers in their community. Club members also conducted trainings on rice mill operations for sustainable business efforts.

The Rotaract Club of Cairo Royal, Egypt, installed solar home systems for families in a remote village without access to electricity, changing the lives of people in the community by Securing a basic need.

Kippa's Ode to Dougie!

Something about you that I truly admire,
Words from your mouth quite often inspire.

Glass is half-full, you clearly see,
Your positivity brings joy to me.

You are a combination.. of special and rare,
So many talents, with the world you may share.

Whatever you do, whatever you seek,
I know you will conquer, no matter the peak.

Life is too short, so Don't waste a minute,
Enjoy each day, And everyone in it.

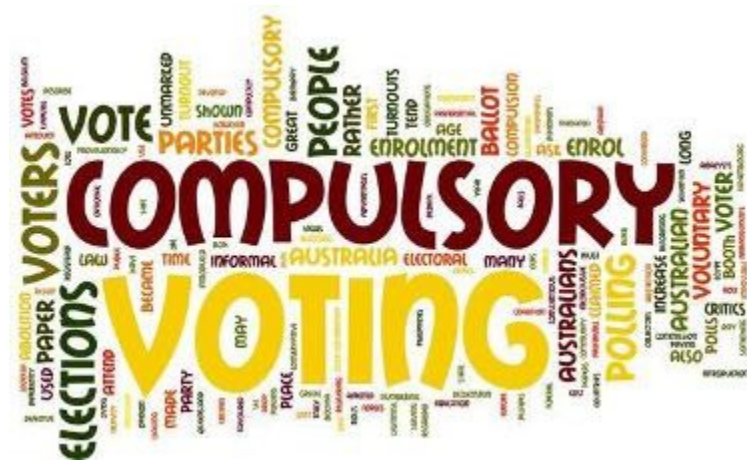

Life is hard.... And life can be tough,
We know you are strong, and made of stern stuff.

Just face each day, And what it may bring,
And you will be ready, To tackle anything.

There may be days, That will never seem to end,
and you may not even wish to hear from a friend.

But as you stride fiercely down that recovery road,
Your many friends will follow to help bear the load.

So you get well soon, our Director of Fun!
And we wish you God Bless.. from everyone, bar none!
