Bulletin 2013—2014

From The R.I. President's Desk

Dear fellow Rotarians,
 Our goal in 2013-14 is to *Engage Rotary, Change Lives*. All of us know that Rotary has incredible potential to do good work. It's time to recognize how much more we could be doing and start working on new ways to turn that potential into reality. We're going to do this by engaging Rotarians – by getting them involved, by getting them inspired, and by making sure that all Rotarians know just what a gift they have in Rotary.

We're going to make sure that the work we do in Rotary is solid, effective, and sustainable. And we're going to make sure that Rotary itself will last – by committing to our goal of 1.3 million Rotarians in our clubs by the year 2015.

That goal is a little different from membership goals we've had in the past. The goal isn't just bringing in new members. The goal is growing Rotary. The goal is making Rotary bigger, not just with more members, but with more involved, engaged, motivated members who will be the ones to lead us into our future.

Each of us has our own reason for

joining Rotary – but I believe we all want to make a difference. We all want to be doing something meaningful. That is absolutely essential for us to remember when we talk about membership.

We're not asking just anyone to join Rotary. We're looking to attract busy, successful, motivated people who care. We're asking them to take their valuable time and give it to Rotary. So if they say yes, and they come and join our club, then we'd better be showing them that their time in Rotary is well spent.

We have to make sure that every Rotarian, in every club, has a meaningful job – one that makes a real difference to the club and the community. Because when you're doing something meaningful in Rotary, Rotary is meaningful to you.

In Rotary, we all have something to give. At every stage of our lives and our careers, Rotary has something for all of us – a way to let us do more, be more, and give more. Rotary gives our lives more meaning, more purpose, and greater satisfaction. And the more we give through Rotary, the more Rotary gives back to us in return.

Ravindran is choice for 2015-16 RI president

K.R. "Ravi" Ravindran, a member of the Rotary Club of Colombo, Western Province, Sri Lanka, has been selected by the Nominating Committee for President of RI in 2015-16. Ravindran will become the president-nominee on 1 October if there are no challenging candidates.

K.R. "Ravi" Ravindran is the selection of the Nominating Committee for President of Rotary International in 2015-16.

Ravindran said his top priority for Rotary will be to increase membership, which he called the bedrock of any organization.

"The emphasis on membership has to continue with focus on the younger generation," Ravindran said. "Additionally, we must seek to attract the just retired and experienced people into Rotary."

Creating regional membership plans and realizing that "one size does not fit all" has been a move in the right direction, he said.

"Albert Einstein defined insanity as 'doing the same thing over and over again and expecting different results.' In many ways this has been the story of Rotary's poor membership advance," he said. "Thankfully, our approach this time has been studied and altered. We have created 22 different membership regions so that each region would develop and execute a plan that would suit that particular region."

Ravindran said it's important for Rotarians to share their stories, especially through social media, so others can see the impact Rotary has had in their lives. He said it's also important for the organization to speak with a consistent voice. "Our identity must remain simple and be based on our core values. It must be clear and straightforward to both our internal and external audience."

Ravindran holds a degree in commerce and is founder and CEO of Printcare PLC, a publicly listed company and global leader in the tea packaging industry. He also serves on the board of several other companies

and charitable trusts. He is the founding president of the Sri Lanka Anti Narcotics Association, the largest antinarcotics organization in Sri Lanka.

As his country's PolioPlus chair, Ravindran headed a task force with members from the government, UNICEF, and Rotary and worked closely with UNICEF to negotiate a cease-fire with northern militants during National Immunization Days.

A Rotarian since 1974, Ravindran has served Rotary as a director and treasurer of RI and as a trustee of The Rotary Foundation. He has also served as an International Assembly group discussion leader, district governor, Council on Legislation representative, and zone institute chair. He chaired the Schools Reawakening project, sponsored by Rotary clubs and districts in Sri Lanka, which rebuilt 25 tsunami-devastated schools, benefiting 15,000 children.

Ravindran has been awarded The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Award and the Service Award for a Polio-Free World.

He and his wife, Vanathy, have two children, and are level 4 Major Donors to the Foundation.

The Nominating Committee members are Eric E. Lacoste Adamson, USA (chair); John T. Blount, USA; Robert K. Crabtree, New Zealand; Gerson Gonçalves, Brazil; Frederick W. Hahn Jr., USA; Lynn A. Hammond, USA; Teruo Inoue, Japan; Paul Knyff, The Netherlands; Peter Krön, Austria; Jorma Lampén, Finland; Kyu-Hang Lee, Korea; Masahiro Kuroda, Japan; Michael D. McCullough, USA; Donald L. Register early for Sydney convention and save

Register early for the 2014 Rotary International Convention in Sydney, Australia, 1-4 June, and pay US\$100 less than the on-site registration fee.

Rotary's annual convention is a wonderful way to experience the true internationality of Rotary, as you connect with leaders, exchange ideas, and get inspired to take action to benefit communities worldwide. By planning ahead and [reserving your room now](#), you'll increase your chances of staying at your first-choice hotel.

You'll also have a better chance of securing tickets for host events like an Australian rules football match or a concert at the Sydney Opera House. Ticket requests will be processed in the order they are received through 1 May or until an event reaches capacity. After that, tickets will be sold on-site if available. On-site prices will be about 20 percent higher.

Free transit passes

The New South Wales government is offering free transit on ferries, buses, and trains in the greater Sydney area from three days before until one day after the convention, to help visiting Rotarians and their families fully experience the land down under. You can use these passes to see not just Sydney's sights but also attractions as far away as the Blue Mountains, Hunter Valley, and Kiama.

Bring the family, and make it a memorable vacation. Kids will enjoy splash parks, playgrounds, and shows in Sydney Olympic Park, the venue for all convention activities, while Darling Harbour is home to an IMAX movie theatre, shops, restaurants, and the largest Chinese garden outside Asia. If the kids still have energy after that, visit the kangaroos, dingoes, wombats, and many other animals at the Taronga Zoo or take them to the Sea Life Sydney Aquarium.

At the convention, you'll hear from some of the world's leading experts on topics such as water, polio, and social media. You'll also develop your leadership skills and connect with others who share your recreational, professional, or humanitarian interests. As you browse the project booths in the House of Friendship, you'll discover new ideas for service and perhaps even a new partner for creating change.

Deep in thought

“Why are you trying tso hard to fit in
when you were born to stand out?”

Ian Wallace

The club derives its name from an Australian aboriginal religious ceremony of making secular boys into sacred men who were then a Kippa.

This ceremony was performed in an area of two circles (or rings) that were to be found locally, hence the name Kippa-Ring.

The name was first approved in 1971 The Queensland Place Names Board has told Redcliffe Council it had noted the first approach for the establishment of a new school came from the Kippa-Ring Progress Association and while the name of the district was approved by the Board, it would prefer to see the name spelt "Kippa-Ring" in order to preserve the connotation with the aboriginal ceremony from which the name is derived.

Pat Gee, author of "Redcliffe - Looking at the Landscape" and noted local historian describes fully the origins and use of the suburbs name. Among other notes, she points out that the ring itself disappeared in the 1950s. In 1927 a Dr. Hobbs referred to the area - running across the Kipper Ring flats then over a neck of swampy land to Scarborough.

The official Government web site has the names listing as follows:-

KIPPA-RING

Place Type	Suburb
Local Authority	Moreton Bay Regional
Status	Approved & Current
Gazettal	DATE: 15 August 2008 PAGE: 2117
Plan Number	QPN955
Narrative	Originally named by Queensland Place Names Board 1 April 1971. Boundaries adjusted by the Minister for Natural Resources and Water, 15 August 2008. Reportedly a combined Aboriginal / English artificial word, from Kabi Language Kipper / Kippa young uninitiated man and ring from bora ring, the combined name for an initiation site.
