Aaron Moore talks about RYLA

Last week's guest speaker was Mr. Aaron Moore.. who
was our Club's sponsored participant at Rotary
Youth Leadership Award (RYLA) this year.

Aaron works Grace Lutheran College as a Youth
Intern as part of the Ministry Team and is also a
talented musician. It is easy to see why the Grace
kids love him as he is a genuine, nice, caring bloke.
He gave us a fine presentation of his RYLA experience.

Aaron claims RYLA helped him gain confidence and expanded his thinking as
he participated in various workshops and team-building activities throughout
the weekend, culminating in the formation of a special project. The seminar
was a rollercoaster of emotion and learning that pushed him to challenge
himself and broaden his perspective of the world.

RYLA recruits only the highest calibre young people and offers this group the
chance to access some of Australia's most influential and motivational
speakers; experts in a variety of fields. And Aaron fitted in very well with this
criteria and RC KIPPA-RING wishes him the best with his future endeavours.

This THURSDAY 18TH JUNE.. our Club will attend the Nepal Rebuilding
Fundraising dinner sponsored by RC PINE RIVERS DAYBREAK at the
Murrumba Downs Tavern .. Bus departs from Grace Lutheran College
carpark in Buchanan Road (next to swimming pool) at 6 pm sharp.. Cost is
\$45 per head for dinner plus \$5.00 each for bus ..(to be donated to
appeal).. refer to details on Page 6... *a HUGE thanks for the loan of the
bus: to Grace Lutheran College; and to our volunteer driver Garry Gibson.*

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and
BETTER FRIENDSHIPS?
4. Will it be **BENEFICIAL** to all
concerned?

**ROTARY CLUB OF
BHADGAON**

The **Rotary Club of Bhadgaon** (club Id 85919) was chartered on the 12th June 2014. It has 44 Charter members, of whom 10 are women. Bhadgaon (also known as Bhaktapur or Khwopa) is a city in the Kathmandu Valley with some of the finest temples and religious architecture in Nepal, though much of it has now been damaged or destroyed.

The Rotary Club of Bhadgaon is less than a year old, but has taken on the massive project of supporting over 200 orphanages across the Kathmandu Valley – a task which the earthquakes made even more urgent.

Fellows and guests.. please be upstanding, and raise your glasses to toast the **Rotary Club of Bhadgaon** !

The Rotary Club of Bhadgaon » Nepal Earthquake Relief 2015 Special focus to orphan children:

- * We supported food, medicine, health check up, water sanitation hygienic, water filter and tents to more than 200 orphanages.
- * We are making 30 temporary Shelter to 30 orphanages where 200 orphan children are living and they lost their houses and living on the ground right now.
- * We are started to sending psychological Counsellors to 200 orphanages to help trauma problem to 10,000 children who were traumatized because of more than 300 aftershocks. * Handover Education kit boxes and shelter boxes to orphanages.

Another focus to maternity women:

- * We distributed MATERNITY KIT to 300 maternity women who lost their house and living at ground without tents with less than 2 month children at Bhaktapur district. * We handover 19 Shelter Kits to maternity women.

KIPPA'S RIB-TICKLER OF THE WEEK!

Irish Fisherman...

It was raining hard and a big puddle had formed in front of an Irish pub. An old man stood beside the puddle holding a stick with a string on the end and jiggled it up and down in the water.

A curious gentleman asked what he was doing.

'Fishing,' replied the old man.

'Poor old fool' thought the gentleman, so he invited the old man to have a drink in the pub.

Feeling he should start some conversation while they were sipping their whisky, the gentleman asked, 'And how many have you caught?'

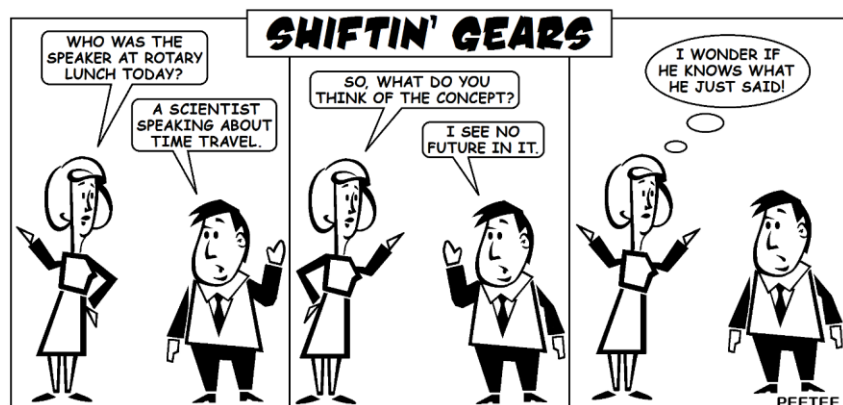

'You're the eighth'.

the fact that jellyfish have survived for 650 million years despite not having brains is great news for stupid people.

BA DUM TSS

Shiftin' Gears is a comic strip created by RC Kimberley Rotarian Peter Thomas for Rotarians... but that does not mean your non-Rotarian friends won't enjoy it as well. Shiftin' Gears does not strive for political correctness; nor does it aim to be controversial. All it does is try to entertain or amuse you!

NINA WEBER .. Our Swiss Youth Exchange student will depart for home on Saturday 18th July, 2015 From Brisbane International airport departing at 2.20 p.m .. Singapore Airlines Flight SQ236... Hard to believe that her year is nearly over!! **Nina's final presentation to our Club is on Wednesday 15th July at the Rotary District office in North Lakes ..** more details to follow..

INTRODUCING: ANTONIA ESST .. Our 24th Inbound Youth Exchange student who will arrive into Brisbane from Sweden on Friday 17th July, 2015 Thai International Flight TG473 arriving at 1150 a.m.

Antonia turns 16 on 20th July.. She comes from a town called Foto and is sponsored by the Rotary Club of Ockeroarna in District 2360. Foto is a tiny island with a population of just 620 near Gothenberg which is Sweden's 2nd largest city .

Antonia has a family consisting of Mum - Ute, Dad - Frank, sister Karolina (18) and brother Maximilian (12). The family are German but moved to Sweden a couple of years ago. Her Mum is a Flight Attendant and her Dad works in the automotive industry.

Antonia likes: to play the piano, cooking, dancing and was a gymnast for around 8 years. She is well travelled having been around Europe and to the Caribbean and USA with her family .. Her favourite subjects at school include Maths, Music and the sciences. Her future desire is to work with people and hopes to one day travel to Africa to help with children who are less fortunate.

Nepal Update | 5 June 2015

THE FIRST STAGE OF DEPLOYMENT COMPLETED And Australian DARTs continue with the vital relief effort ...

Dave Tuzewski (South Australia) and Peter Hazell (UK) have handed over to Australians **Di Holland** (Team Leader) and **Jenny Greer**, and **Michael McKeever** from the USA. Their task will be to adapt our deployment to the impact of the forthcoming monsoon using local solutions where possible. **Di Holland** (from Echuca Vic.) was recently on a long-term deployment with **Disaster Aid Australia** in **Vanuatu**.

Brief report on our work to date

Building materials and other aid items, including 123 tents have been distributed to previously identified villages. While there is some semblance of 'normality' in Kathmandu, in contrast to the hope that greeted our team, this has now turned to impatience and panic as people, still in need of shelter, face the imminent monsoon. It will bring serious difficulties with many villages now cut off by damaged roads and significant landslides.

Because of an embargo on permanent construction while new design procedures are implemented, we have to focus on transitional shelter solutions. The deployment of more tents is largely impractical given the lack of suitable space, so we are looking at providing appropriate building materials (such as corrugated sheeting). Another option is to fund local brick making. And we are constantly assessing the best deployment of our water filtration solutions.

The road ahead

Along with local Rotary clubs, we are working with our partners, *Community Development & Relief Agency* (CDRA) in this deployment. Stage 2 of our deployment will take place in September – after the monsoon – when more permanent shelter solutions will be required.

We are once again in this for the long haul to help Nepalese people in such distressing times.

PLEASE LOOK FOR NEWS ON OUR WEBSITE AND FACEBOOK.

Will you please help support the work of Disaster Aid Australia?
It is a Rotary Club project that really is making a difference in Nepal.
