## The Green Tree Frog Trophy is on “holiday” @ RC Stafford ;(

Last week, , we continued the tradition of our Annual Debate with RC STAFFORD.. held at the Green Tree Frog Restaurant located within the Grace Lutheran College Rothwell campus. RC Stafford debated “Eat To Live”.. whilst RC KIPPA-RING debated “Live To Eat”.. Our Outbound YEP exchange student Madison Smee started off beautifully, ably supported by our Inbound YEP student Mallory Dykes..( who was a last minute call-in ;0 ) followed by Garry Gibson who closed off.. Unfortunately, our Team was pipped by a fine closing by our Opposition ( It is always easier closing last!!!) However, great night had by one and all; including some fine wonderfully presented cuisine by the Grace students.. Thanks to Sue and her Team!!! The cream ceramic salt & pepper shakers we utilised were a gift from our Club as a token of our appreciation. Don't worry Froggy... you'll be baaack!!!

*One Sunday morning, Satan appeared before a small town congregation. Everyone started screaming and running for the front church door, trampling each other in a frantic effort to get away. Soon, everyone was gone, except for an elderly gentleman who sat calmly. Satan walked up to the man and said, "Don't you know who I am?" The man replied, "Yep, sure do." Satan asked, "Aren't you going to run?..." "Nope, sure ain't," said the man. Perturbed, Satan asked "Why aren't you afraid of me?" The man calmly replied, "Mate, Been married to your sister for over 48 years."*

# Great Endeavour Rally

# ENDEAVOUR

## FOUNDATION

*Our Club President Doug, and Club Treasurer Bruce are participating in this event.. Here is their daily log...*

- Day 1: Today is a special day in the history of the Great Endeavour Rally. The inaugural NSW Great Endeavour gets under way with more than 100 people taking part and a field of more than 40 vehicles in total. These Pioneers will etch their names in the history books as we try to make the NSW Great Endeavour as well known as the QLD event. Today we have reached Bathurst safely after carefully watching the bush fires in the blue mountains. There is still a lot of smoke about and many fires still burning but the UAA Great Endeavour is past the worst of it and looking forward to the next seven days.
- DAY 2: Our first real night on the Great Endeavour after a full days bush driving. Tonight is all about country hospitality and local traditions with the local publican donating dinner to the event (what a legend) and providing a real treat in the way of entertainment. Keep an eye out for these photos when we get back home. We will be re-enacting the infamous Coolabah Goat Races, only who will play the goat?
- DAY 3: As we cross the NSW / QLD border today and head for a night of great country music and fine food in Hungerford, we come across the nearest thing to a car wreckers we'll see for days. Anyone needing parts will want to have brought their grinder with them, that's for sure!
- Day 5: The whole reason most of us are here, a visit to Cameron Corner where NSW, QLD and SA all meet. An opportunity for a quick game of tri-state golf, a few photos and a good feed. What better way to spend a Wednesday morning.
- Day 6: A night of whip cracking and golf? Seems like an odd mix but that is what the locals have in stall for us tonight. That and some home made Italian cooking. What a weird mix, but we can't wait as it is all happening at Kallara Station on the banks of the Darling River. Where else would you want to be?
- Day 7: Kangaroo Court, where all the silly and outrageous things people have done over the past 7 days will come back to haunt them. Road Boss will be Judge, Jury and Executioner. Everyone is feeling a little nervous as there are not many people who haven't done at least one stupid thing this week.

## **ROTARY LINKS WITH SALVATION ARMY FOR NSW BUSHFIRE APPEAL**

Rotary has established an alliance with the Salvation Army to collect donations to be used for the relief effort through their NSW Bushfire Appeal.

Garry Browne, District Governor for Rotary District 9675 (covering Sydney CBD, Parramatta, Campbelltown, Sutherland and Wollongong areas) said it was important for funds to be directed to national organisations who have experience in devastation and crisis relief – they also are organisations that are trusted and acknowledged by the community as credible. The Salvation Army fits this criteria and is well aligned with Rotary.

Donations should be directed to The Salvation Army – Rotary Bushfire Appeal [www.salvos.org.au/rotary](http://www.salvos.org.au/rotary) or via the phone 13 Salvos (13 72 58) quoting appeal code 1043314.
