Opera In The Gardens

Coming to the Mt Coot-tha Botanic Gardens

March 23rd 2014

Opera In The Gardens is a community project coordinated by the local Rotary Clubs of Brisbane Planetarium, Brookfield, Karana Downs, Kenmore and Toowong. The event aims to raise money for local Rotary community projects, as well as local charities Drug Arm Australasia and the Rotary Oceania Medical Aid for Children (ROMAC).

Drug Arm is a not-for-profit organisation committed to reducing harms associated with alcohol and other drug use. Funds raised will go towards continuing to provide support services to those who are in desperate need.

The funds donated to ROMAC will go towards providing medical and surgical aid for children from developing countries who struggle to access proper medical attention.

So join us for an afternoon of opera in the beautiful Mt Coot-tha Botanic Gardens. The event will feature some of Queensland's finest operatic talents. Wine and canapés will also be available for purchase.

RC KIPPARING to provide and set up discreet Christmas decorations and tree at Redcliffe Hospital Palliative Care unit. Thanks to Sherin, Lorraine and Matt for their time and efforts.

As we grow up, we learn that the one person that was never supposed to let us down probably will. You'll have your heart broken, and you'll break others hearts. You'll fight with your best friend or maybe even fall in love with them, and you'll forget that time is flying by. Life comes with no guarantees, no time outs, and no second chances. You just have to live your life to the fullest. Tell someone what they mean to you, and tell someone off. Speak out, be sincere, and say it with conviction. And NEVER forget where you came from, 'cause when you do... it's a long .. long road home!

The latest news: ROTARY response to CYCLONE HAIYAN

EMERGENCY APPEAL – Courtesy Brian Springer PHF(Shelterbox Australia)

- ShelterBox supplies prepositioned at Clark air base on Luzon island now all deployed.-- Our aid effort has focused on Bohol so far following the earthquake in October. In Bohol we distributed 214 ShelterBoxes, 266 tents, as well as toolkits.
- We now have 504 tents en route from Dubai to Manila.
- Other options include 600 boxes stored at Melbourne (may go to Manila or direct to Cebu) and tents/boxes at Subang near Kuala Lumpur.
- ShelterBox Response Team carrying out assessments in Cebu, Bohol and Tacloban over the next two days.
- Cebu may become an aid cluster and logistics centre (currently in Manila).
- Our newly arrived response team has been at a cluster meeting of aid agencies in Manila today, and priorities and possibilities for aid delivery will emerge.
- In addition to water, food, transportation and sanitation problems, it is possible petrol may have to be rationed due to the use of generators where power is down.

**Rotary Club of KIPPA-RING members commit to purchase 2 SHELTERBOXES
(VALUED AT \$1,000 EACH) at our last Club Meeting.**

Shelterbox - ITS ALL ABOUT THE BOX– What's inside???

Only new equipment is used and is carefully selected for durability, practicality and suitability for where it is needed. Tough, lightweight and waterproof, the box itself can also have many useful functions from food container to cot. We also continually work with a range of manufacturers to improve the quality and extend the range of equipment that we have available.

A range of equipment is kept in stock. This lets us adjust the contents of the box according to local conditions and what is most urgently needed. Sometimes particularly if other resources are available locally and the overwhelming need is for shelter we will just send tents and pack two in each box. Each box costs an average of \$1,000 including all materials, packing, storage and distribution to individual recipients worldwide.
