THE FOUR-WAY TEST

Of the things we say and do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Our 23rd Inbound YEP Student from Switzerland
Nina Weber

arrives this Friday July 25.
Flight SQ245 is scheduled to arrive at 1930 hours. Any Club Members wishing to carpool to greet her, please see Ashley or Garry..

JETTY2JETTY

Last Sunday morning (very early), Club Members and families braved the rather cool conditions to attend to marshalling duties at the Redcliffe annual Jetty2Jetty event which attracted over 2,900 participants. A huge thank you to all who attended... your attendance will generate much needed funds to our Club.

Chameleon House ART AUCTION

Last week, our Club did a vocational visit to the Redcliffe Cultural Centre to attend a Community Art Auction Fundraiser, with funds contributing towards Redcliffe Youth Space and Chameleon House. To learn about these great organisations.. refer to the following links: <http://redcliffeyouthspace.org/> and <http://chameleonyouthhousing.com.au/>

Laura was a Rotary Exchange Student to Gympie from South Africa in 1983. Life-long connections to Rotary, Interact and Rotex. Laura immigrated with her young family to Australia (her host country) in 2003. She is currently a school teacher at a local school (Hercules Road State School) and says she loves the satisfaction of her job.. as teaching is a true calling. Laura has travelled extensively throughout Africa, Australia and Europe and prescribes to the notion of the "Global Village": it's not *Where* you live, but *How* you live that matters. Tonight, Laura will be sharing the "**Elephant Challenge**" with us. This is a concept which she first developed over 20 years ago when confronted by a raging Elephant in the African bush. This *Elephant Challenge* has been set for our outgoing and incoming Youth Exchange students over the past few years. Their experiences have been life changing and Laura hopes that the challenge she sets for us as Rotarians tonight, will indeed prove to be life changing too.

One afternoon a wealthy lawyer was sitting in the back of his limousine being driven to work, when he saw two men eating grass by the side of the road. He ordered his driver to stop, and then he got out to investigate. "Why are you eating grass?" he asked the men. "Sir, we don't have any money for food," one of the men replied. "Come along with me," instructed the lawyer. The first man said, "But sir, I have a wife and two children. They are also hungry." "Bring them along too," replied the lawyer. The second man said, "Sir, I have a wife and six children. Can they come as well, please?" "No problem, bring them along as well," answered the lawyer as he climbed back into his limo. Finally, they were all in the limo - the driver, the lawyer, the two men, their two wives and eight children. One of the men said, "Sir, you are just too kind. Thank you for taking all of us with you!" The lawyer replied, "No problem, there will be plenty to eat at my home. The grass is almost half a metre tall!" (*hey.. At least they were eating it.. not smoking it.. Kip ☺*)

"It's impossible," said pride. "It's risky," said experience. It's pointless," said reason. "Give it a try," whispered the HEART."

IS THIS THE MOST DEDICATED JETTY2JETTY MARSHALLER EVER???

We are proud Honorary Members of the RC of Kippa Ring.. and this morning we arrived for our annual commitment to the Jetty to Jetty fun run. We signed on with Dale at 0530 and collected our high viz vests and instructions and took our place on the route up at Scarborough. Our Grandson, Christian has "marshalled" every year since he was born. His first J2J was when he was 10 months old in July 2008. He marshalled from his pram and has come EVERY year since then. He knows it's "after Christmas" so as soon as Christmas is over.. he starts asking "When is the Jetty to Jetty on? Remember I want to marshall"!!!!!! So here he is with MraMarjie and GramPa "marshalling" for the 7th time. He turns 7 in September this year!!! Note he still wears the high viz vest he wore in his pram in 2008!!!

On the weekend of July 19th – 20th, 16 members of North Lakes' Breaking Point Fitness

Centre, competed in what is considered, Australia's toughest endurance event. It is a gruelling, cross country, 4 person team event held over 96km with

a time limit of 39 hours continuously.

There is good reason for this distance and time – 96 km is the length of the actual Kokoda Track in PNG and the 39 hour time limit is in honour of the 39th Militia, the first Australian troops to set foot on the Kokoda Track in 1942 during World War 2.

The members of Breaking Point Fitness made up four teams each as part of the 300 plus teams entered in to the event. The teams have been training hard for several months, incorporating hiking up Mt Beerburum, Mt Coolum and Mt Coot-tha on a regular training programme as well as their own individual fitness programmes.

All four teams engaged a voluntary Support Crew of three people to take care of "everything" at the various checkpoints with the food, snacks, hydration, medical supplies, extra clothing and positive encouragement. A majority of the Support Crew are also Breaking Point Fitness members and many have done some of the physical training with their teams. RC KIPPA-RING Club Members Shezzy Chau and Daisy Bolton were part of the Support Crew this year for 'TEAM BREAKING POINT'. Matt Roue and Kevin Chau actually competed in the gruelling event.

Teams had to raise a minimum of \$1500 per team, and all proceeds have gone to the Kokoda Foundation, which supports local teens to gain a brighter future for themselves and their families through the Kokoda Challenge Youth Foundation, with youth programs, events and camps all over Australia. This year was the 10th anniversary of the event and hailed as one of the biggest.

The philosophy of the 96km Kokoda Challenge is: Mateship. Courage. Endurance. Sacrifice.

Congratulationss guys! Awesome achievement!

Rotary fun run

This Sunday 400 runners are expected to participate in the Kippa-Ring Rotary Club's Redcliffe Fun Run.

Runners can start from the northern end of the Hornibrook Bridge for the Blues run to Rotary Park, Redcliffe, or family runners can start from Scott's Point to the park for a 4km run.

Club secretary, Mr Rex Fulton, said a champagne breakfast would be supplied to runners at the finish. It was the third year the race had been held and proceeds would benefit the Redcliffe Hospital nurses' library.

Prizes will be awarded for the first finishers in the under 15, open and veterans' sections. Other prizes including a five-day self drive holiday at the Orchid Beach resort, Fraser Island, will be awarded after the race.

Redcliffe Hospital nurses and the State Emergency Service workers will be assisting on the day and manning stations. Registration will be available at both starting points before the start at 7.30 a.m.

The race route will follow the foreshore.

• ROUTE to be taken in the Rotary Fun Run this Sunday.

Rotary Days photos

Post photos from your Rotary Day event online using Instagram or Twitter and use the hashtag #RotaryDay to share your impact with Rotary's online community. Photos of Rotary Day events around the world will be collected and shown at the 2015 Rotary International Convention in São Paulo, Brazil. Some photos may also be featured in *The Rotarian* magazine.

Rotary Days video contest

Clubs and districts are invited to submit brief videos highlighting their Rotary Day events. President Huang will recognize one grand prize-winning club or district with a special award plaque. The winning video, along with videos from select finalists, will be featured on rotary.org and possibly at the 2015 Rotary International Convention in São Paulo, Brazil.

Submissions must be less than three minutes long, use English or English subtitles, and be uploaded to YouTube. To submit your video for the contest, visit President Huang's page on rotary.org between 1 July 2014 and 31 March 2015 and complete the online submission form.

LIGHT UP ROTARY

Rotary Days

Gary C.K. Huang
2014-15 RI President

This year, I am urging all Rotarians to *Light Up Rotary* by participating in Rotary Days. The Rotary Day concept is a simple one: hold a fun, informal event in your community for the non-Rotary public and use it as an opportunity to introduce them to Rotary. It's that easy. Rotary Days can help your club drive up interest in membership, strengthen your club's relationships with local institutions and community members, and improve Rotary's image in your community. Imagine the collective impact we can have if all 34,000 Rotary clubs worldwide make a concerted effort to introduce the public to the fun, rewarding experiences that we all enjoy as Rotary members.

Gary C.K. Huang
President, Rotary International, 2014-15

Hosting a Rotary Day

Any club, big or small, can host a Rotary Day. Neighboring clubs can pool their resources and cohost a Rotary Day event, and even entire districts can come together to host a large-scale Rotary Day.

Rotary Days can take any form, as long as they are fun and appealing to the non-Rotary public. Here are just a few possibilities:

- Hold an outdoor picnic or barbecue
- Host a sporting event or concert
- Organize a family fun run
- Align the event with a public parade or festival
- Sponsor an event at a museum, art gallery, or cultural center
- Secure an auditorium or arena and plan a ticketed reception or buffet dinner

Tips for Rotary Day planners

- Feature guests that will appeal to a non-Rotary audience. Consider inspirational speakers, celebrities, musicians, or other public figures.
- If the event will offer food, keep it simple — for example, a barbecue buffet rather than a formal, sit-down meal.
- Keep admission prices low. Approach local businesses to sponsor your event.
- Make your event welcoming to families. Encourage members to bring their spouses, children, and other relatives.
- Avoid using Rotary jargon or referring to internal traditions; present Rotary as an enticing opportunity for prospective members to make new friends, exchange ideas, and take action to improve their local community and the world.

- Highlight the work of ordinary Rotary members doing extraordinary humanitarian work.
- Consider including a hands-on service project as part of the event to give visitors the chance to see firsthand how Rotary benefits the community.
- Recognize non-Rotary community members who embody Rotary's service ideals.
- Seek coverage for the event in local news media.
- Collect participants' contact information and follow up within two weeks to invite them to attend a club meeting or event.

National Rotary Days

In addition to the many club- and district-level Rotary Days that will take place this year, there will be a select number of national Rotary Days facilitated by current RI directors and other senior leaders. These events will convey Rotary's relevance, highlight our good work, and appeal specifically to residents of the countries where they take place. Visit President Huang's page on rotary.org after 1 July 2014 for details on these events.

Rotary Days recognition for clubs

District governors are encouraged to give special awards to clubs that undertake successful Rotary Day events during 2014-15. Rotary will provide governors with an electronic template for a certificate.
