Rotary Club of Kippa-Ring Inc. Club Bulletin 2012—2013

From the President's Desk.... Inside this issue:

Dear Fellow Rotarians,

Last week was an entertaining meeting. Carl's presentation was a delight. It's always great to watch how students grow in character and confidence during their time with us. I am sure that Ashley, along with Garry and Renat  are responsible for developing his Aussie sense of humour.

This week we will be at *JT Press* for a Vocational Visit hosted by *Dale Streten*. I'm sure it will be interesting to see the new methods used in printing these days.

I hope everyone who took part in the progressive dinner had an enjoyable time. Unfortunately Gavin and I couldn't attend as we had tickets to see "Creedence Clearwater Recycled", men in their sixties with excellent guitar skills which turned out to be rather loud. We lasted until intermission and then we had to leave.

Yours in Rotary Service,

Lorraine

POLIO NEWS...

A case of type 1 polio has been reported in the Banadir region of Somalia, the country's first case since March 2007. In response, an immunization campaign took place 14-16 May, aimed at reaching more than 350,000 children in the Banadir region. Rotary also mourns the loss of a friend in the polio eradication effort, Abdul Waheed Khan, who died tragically in an attack 13 May in Pakistan.

SATURDAY 18 MAY—PROGRESSIVE DINNER

What a great night for those of us that braved the chilly air and participated in the Progressive Restaurant Dinner, starting off at the Ambassador Hotel for drinks then wondering on down to the Rustic Olive for Entree which was very enjoyable and with the compliments of the Manager Sam provided a plate of Salt & Pepper Calamari. By then it was starting to get a bit chilly so thankfully we were sitting inside for our main meal at The Brick Bistro.

The highlight of the night would have to be Coffee and Desert at the Jetty Cafe which were to die for as you can see below, courtesy of Eric. Also joining us for Coffee was the President of Redcliffe Sunrise Rotary Club Chris Scobie, who is looking forward to handing over the reins in six week time as being President for two years.

Suppose I should have waited until we had our desert in front of us before I took the photo, but I can assure you it was thoroughly enjoyed.

Dear Club and District Representatives and Ambassadors,

On behalf of our Board, I want you to know how much your support is both appreciated and very much needed.

My association with ShelterBox began shortly after the concept was launched in Australia, when I became a representative in my own District. Since then I have been continuously involved. For part of that period I was Company Secretary of RAWCS Ltd. I mention this because each day from so many different sources, I receive news, briefings, updates and information about our deployments to places where natural and civil disasters require us to deliver aid in the form of a big green box. The need never ceases.

This morning's mail reminds me of the unfinished work we have in looking after needs of refugees from Syria, preparations for Cyclone Mahasen, and flooding which is now devastating parts of Uganda. Please have a look at our website for up to date reports at <http://www.shelterboxaustralia.com.au/>

To continuously deliver aid depends upon our ability to fund those initiatives which provide warmth, shelter, dignity and relief to those who have lost everything.

To achieve that, there are many things which we can all do to contribute. This is where I seek your continuing support. As Representatives and Ambassadors, you are the key to our efforts. Please

- **Recruit** – We need more ambassadors and reps. One in each club. To do that, you will certainly need to engage your District Governor and their successors. Please use your contacts and influence to grow our representation. We now have an opportunity to mount a course to get additional Response Team Members from Australia, and particularly from the West and Southern Regions. Can you please recommend and support a potential candidate?
- **Fundraise** – Our capacity to support and extend our aid programs depends upon our ability to fundraise. At this time of year there are often unallocated funds. Your influence may well direct them to ShelterBox and in doing so help us to achieve our targets.
- **Educate** – for the most part, we don't have the wider exposure which will make our brand recognisable; neither in Rotary nor the public arena. Ask how that might happen and then with your kit, get into the public arena and work your Clubs. If you need a hand, please call me.

We are a big country and difficult to service. That's not an excuse, just a hurdle to jump. Worldwide we work with The United Nations, UNHCR, UNICEF, the International Federation of Red Cross and Red Crescent Societies, Save the Children, Oxfam, World Vision and the International Organisation for Migration and many, many others including an amazing group of ShelterBox international staff.

As the first and only Project Partners with Rotary international, we have the ideal opportunity to grow our international service work and you will be a major part of the key to that. Remember that you have the support of our Board members as partners in your efforts.

Yours in Rotary and ShelterBox Service,

Bob Furrer,
Chairman,

KIPPA-RING

The club derives its name from an Australian aboriginal religious ceremony of making secular boys into sacred men who were then a Kippa.

This ceremony was performed in an area of two circles (or rings) that were to be found locally, hence the name Kippa-Ring.

The name was first approved in 1971 The Queensland Place Names Board has told Redcliffe Council it had noted the first approach for the establishment of a new school came from the Kippa-Ring Progress Association and while the name of the district was approved by the Board, it would prefer to see the name spelt "Kippa-Ring" in order to preserve the connotation with the aboriginal ceremony from which the name is derived.

Pat Gee, author of "Redcliffe - Looking at the Landscape" and noted local historian describes fully the origins and use of the suburbs name. Among other notes, she points out that the ring itself disappeared in the 1950s. In 1927 a Dr. Hobbs referred to the area - running across the Kipper Ring flats then over a neck of swampy land to Scarborough.

The official Government web site has the names listing as follows:-

KIPPA-RING

Place Type	Suburb		
Local Authority	Moreton Bay Regional		
Status	Approved & Current		
Gazettal	DATE: 15 August 2008	PAGE:	2117
Plan Number	QPN955		
Narrative	Originally named by Queensland Place Names Board 1 April 1971. Boundaries adjusted by the Minister for Natural Resources and Water, 15 August 2008. Reportedly a combined Aboriginal / English artificial word, from Kabi Language Kipper / Kippa young uninitiated man and ring from bora ring, the combined name for an initiation site.
