Rotary Club of Kippa Ring Inc Bulletin 2012-2013

From the Acting President's Desk... Inside this issue:

Dear members of the R.C. of Kippa-Ring,

I would like to thank Ashley, Gary, Doug and Dale for there efforts in moving our equipment from the Bramble Bays Bowls Club to our new meeting venue; the Belvedere Hotel.

In addition, the 'India school desks and chairs' project is all done and on its way to the children in India. These children will now be taken off the classroom floor and seated at a desks. The support from the R.C. of Kippa-Ring, R.C. of Myrtleford, R.C. of Beechworth, District Grant D9790 and R.C. of Pune, India made this happen. The R.C. of Kippa-Ring's contribution will be \$600. I would like to thank members and the Board for supporting this project which was brought to my attention through my involvement in a Rotary Friendship Exchange to India January-February in 2009.

Regards,
Bernard

Representatives concluded the 2013 Council on Legislation

Representatives concluded the 2013 Council on Legislation Friday, where they approved a US\$1-a-year increase in per capita dues, removed limits on e-clubs, and changed the name of the Fifth Avenue of Service to Youth Service.

"It has been a pleasure for me to serve you as chair and work with you this week on the legislation before the 2013 Council on Legislation," Council Chair John Germ said. "You have come with energy and thoughtfulness, and you have represented your districts well."

During the final day of deliberations Friday, the council rejected several resolutions that would have asked the RI Board of Directors to grant official recognition to programs that serve a range of different age groups, including EarlyAct, KidAct, and ElderAct.

They approved resolutions asking the Board to consider allowing grandchildren of Rotarians to be eligible for Rotary Foundation programs, and to waive the rules for Rotary grants so that family member of Rotarians affected by a natural disaster would be eligible.

During the week, the delegates considered more than 170 pieces of legislation that addressed the policies that govern Rotary International and its member clubs. The council is held every three years.

The council approved a US\$1-a-year increase in per capita dues that clubs pay to Rotary International, starting in 2014-15.

The increase was proposed by the RI Board based on a [five-year financial forecast](#) presented to the Board last week and shared with delegates on Sunday. According to the forecast, if there were no dues increase, RI's deficit would grow to \$9 million in 2018 and reduce the General Surplus Fund below the level required in the RI Bylaws.

With the dues increase, the deficit will fall to \$5 million in 2018, according to the forecast, and the surplus fund will then stand at \$88 million, above the mandated level.

Supporters of the dues increase maintain that it will be sufficient to keep pace with inflation without necessitating cutbacks in service. Dues are the primary source of funding for Rotary's operations.

Continued on page 3.....

The Council action raises Rotary clubs' annual per capita dues paid to RI to \$54 in 2014-15, \$55 in 2015-16, and \$56 in 2016-17. Dues for 2013-14 are \$53, and they have increased \$1 a year for the past three years.

In other action during the week, delegates:

- Approved a measure creating the office of vice governor, who would fill in if the governor becomes unable to serve. The vice governor would be selected by the district's nominating committee from among the district's past governors.
- Increased the number of clubs that can take part in pilot projects to 1,000, up from the previous limit of 200. The RI Board uses pilot projects, which last for up to six years, to test new ideas, methods, and organizational frameworks for clubs. Pilot clubs that take part in these experiments are fully functioning Rotary clubs that are exempt from some requirements in the Standard Rotary Club Constitution.
- Approved a measure allowing Rotarians outside the United States and Canada to receive an electronic version of their official [Rotary regional magazine](#), if one is available. Rotarians within the United States and Canada were allowed the option of receiving a [digital version of The Rotarian](#) by the 2010 Council.
- Approved changing the name of Rotary's Fifth Avenue of Service, currently called New Generations, to Youth Service. The 2010 Council on Legislation approved this avenue of service for youth, which joined Rotary's Four Avenues of Service (Club, Vocational, Community, and International). The name New Generations was meant to reflect the need to build up the next generation of Rotarians, but proponents of the name change argued on Wednesday that the word "youth" is more universally understood, both inside and outside Rotary, and clarifies the fact that these programs encourage Rotarians to empower youth.
- Approved allowing a district to have an unlimited number of e-clubs, removing a previous restriction of two e-clubs per district. E-clubs meet electronically, conduct service projects, and sometimes also hold in-person meetings.
- Approved a measure, aimed at increasing membership, that provides for satellite clubs, whose members meet at a different time and location from their parent club but who are also considered members of the parent club.
- Approved a measure allowing participation in club projects to count toward club attendance requirements. The measure amends the Standard Rotary Club Constitution to provide that a member must attend or make up at least 50 percent of club regular meetings or engage in club projects for at least 12 hours in each half of the year, or a combination of both.
- Removed the travel reimbursement policy from the RI Bylaws. This will enable the RI Board of Directors to develop a policy that is flexible, able to address emergency travel situations, and able to take advantage of cost-saving opportunities.
- Defeated two measures that would have allowed clubs to meet less frequently. The delegates also rejected a measure that would have allowed a club to cancel six regular meetings a year instead of four, for holidays, the death of a club member, disasters, or other emergencies.

FROM FRAN

SATURDAY 18 MAY – PROGRESSIVE RESTAURANT DINNER

I am currently in the process of organising a social night in the form of a Progressive Restaurant Dinner. Details I have so far are:

- 5.00pm Pre-Dinner Drinks at the Ambassador Hotel
- 6.00pm – 7.15pm Entree – Rustic Olive
- 7.30pm – 8.45pm Dinner – Brick Bistro Bar
- 9.00pm Dessert – Jetty Cafe

I have spoken to a couple of the restaurants and am waiting to hear back from them, but I am sure it will be a great night. Also for all those people who have not yet seen the “Bee Gees Way” what a great opportunity it would be to spend a few minutes to take a stroll down the sidewalk perhaps this could be done between Entree and Dinner.

WEDNESDAY 22 MAY - Andrew Lim is organising a vocational visit for us. So stay tuned for further updates.

WEDNESDAY 29 MAY - Thank to Andrew who is arranging a speaker from Village Motors Fundraising Corporation who's coming along to speak to us. More details to follow.

THURSDAY 6 JUNE 2013 - We have booked the Belvedere Hotel function room (upstairs) as the venue. The Belvedere Hotel will serve a two course meal (alternate drop main and dessert) and tea/coffee station for \$30.00 per person.

can't make it to a meeting?... do a make-up!

VOCATIONAL VISITS - If anyone has a vocational visit in mind can they please forward details to Andrew Lim via email at atklim@gmail.com

GUEST SPEAKERS—If anyone has knows of guest speakers that would be good for the club can they please forward details to me via email francesvh@hotmail.com

WEDNESDAY 1 MAY - This will be the last opportunity for us to hear from Michael Ahillen our Ambassadorial Scholar before he leaves for a holiday and then home to his hometown.

WEDNESDAY 8 MAY - Jane joined Rotary in 1992 at the Rotary Club of Launceston West and has also been a member of Kangaroo Bay in Hobart, West Tamar in Tasmania, Bribie Island and now the E- Club Next Gen. She has been host mother to 12 Rotary exchange students, several of which still keep in touch. Jane has attended 6 Rotary International Conventions and has been a Rotary volunteer in Fiji and the Solomon Islands.

She was President of the Rotary Club of West Tamar during the Beaconsfield mine disaster and rescue. The Rotary Club cooked for the Channel 7 Sunrise Breakfast Programme, cooking 3,000 sausages and 4,000 bacon and egg rolls in 2 hours. Jane asked Channel 7 for \$1,000 and presented on National television a Paul Harris Fellow to Barry Easter the Mayor of West Tamar, who was also the Rotary Club Treasurer. She knew he would not part with Club funds and deserved a thank you for his amazing job representing the Beaconsfield Community.

In May 2011 Jane's husband Ian was diagnosed with Pancreatic Cancer, twenty weeks later he passed away. Jane is a Registered Nurse and did not recognise his symptoms as that of Pancreatic Cancer which will be demonstrated in her talk. To do something constructive after Ian died Jane signed a Partnership Agreement with Australian Rotary Health, raising \$11,000 per year for 3 years to fund a PhD student who is, Dannel Yeo. Dannel is conducting his researching into Pancreatic Cancer at the Melbourne University and the Austin Hospital. So far Jane has raised \$10,254.59 since May 2012. One way Jane is raising money is to sell a book she has written for \$20 and all the proceeds go to Australian Rotary Health. Jane can now tick writing a book off her "Bucket List"!!!!

WEDNESDAY 15 MAY - Carl Evens ~ Inbound Youth Exchange Student + Board Meeting.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavour to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future..

KIPPA-RING

The club derives its name from an Australian aboriginal religious ceremony of making secular boys into sacred men who were then a Kippa.

This ceremony was performed in an area of two circles (or rings) that were to be found locally, hence the name Kippa-Ring.

The name was first approved in 1971 The Queensland Place Names Board has told Redcliffe Council it had noted the first approach for the establishment of a new school came from the Kippa-Ring Progress Association and while the name of the district was approved by the Board, it would prefer to see the name spelt "Kippa-Ring" in order to preserve the connotation with the aboriginal ceremony from which the name is derived.

Pat Gee, author of "Redcliffe - Looking at the Landscape" and noted local historian describes fully the origins and use of the suburbs name. Among other notes, she points out that the ring itself disappeared in the 1950s. In 1927 a Dr. Hobbs referred to the area - running across the Kipper Ring flats then over a neck of swampy land to Scarborough.

The official Government web site has the names listing as follows:-

KIPPA-RING

Place Type	Suburb		
Local Authority	Moreton Bay Regional		
Status	Approved & Current		
Gazettal	DATE: 15 August 2008	PAGE:	2117
